

Dear ISD Parents or Guardians,

We are so excited to announce that all GPS K-5 students in the district will have access to a 40,000+ book/audiobook/read-to-me digital library during the summer, with no limitations on time or number of books to read, through a platform called Epic. Epic is a digital reading platform that safely fuels curiosity and reading confidence for kids 12 and under.

Students can use Epic on any computer or tablet by entering their grade level class code. [These instructions](#) explain how your student can get into Epic and how you can check in on their reading progress throughout the summer! Below are the grade level class codes:

ISD Kindergarten - **txn9467**

ISD First Grade - **eru0688**

ISD Second Grade - **nql8875**

ISD Third Grade - **ywy2951**

ISD Fourth Grade - **uta4231**

ISD Fifth Grade - **wjx2427**

Once in, students will see the following message:

Welcome, Ms. Firmender's Class!

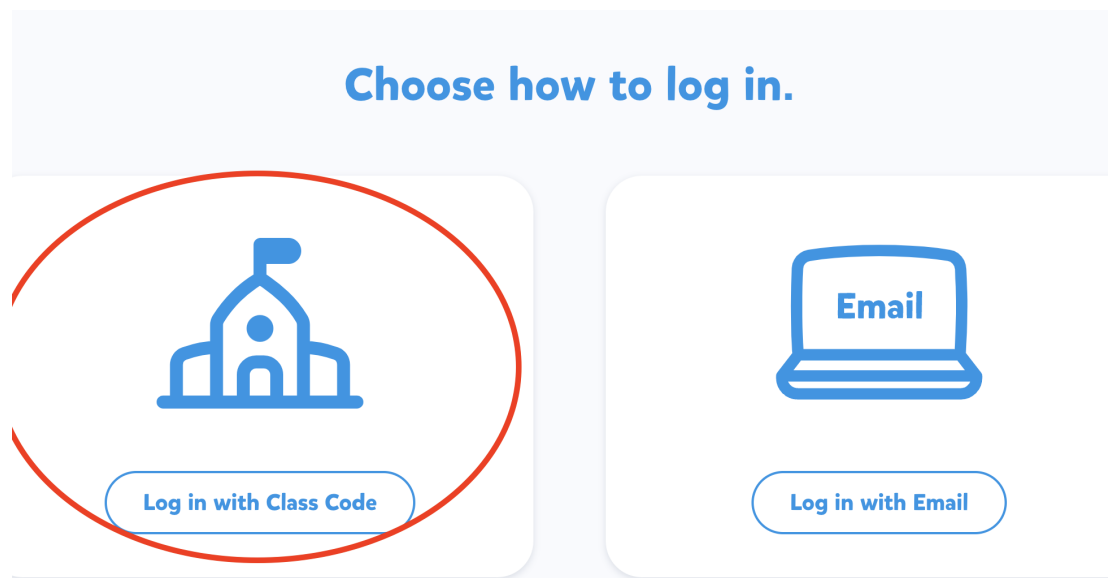

GetEpic!

This Summer, students will be associated with their current grade level class for their building (e.g. ISD Kindergarten, ISD 1st grade). The classes are all in the name of the building principal (Mrs Firmender!)

When the new school year starts, students will be associated with their teachers. Curriculum materials have already been curated to support units so this expansion of access gives students and teachers more resources, and more time to engage with a wide range of reading experiences.

How to use Epic!

1. Students enter the class code into their Epic App on their iPad or into Epic at <https://kids.getepic.com/>
