ENROLLMENT

IMMUNIZATION POLICY

Minimum Requirements for School Entry

When a child enrolls in the Southwest Dubois County School Corporation for the first time or any subsequent time and at any level, parents/guardians must show that either the student has been immunized or that a current parental or medical objection to immunization is on file. It shall be emphasized that it is the parent's responsibility to provide the school with proof of immunization or the proper medical or religious exemption. This law includes all children enrolled in Southwest Dubois County Schools, not first time entrees only. The definition of "immunized" will vary according to the age of the child. Certain minimum requirements are established by the Indiana State Board of Health to simplify the task of administration. Parents are encouraged to provide the school corporation with complete immunization records prior to the start of school.

If a parent is not responsive, or if treatment is not successful, a home visit may be warranted. If the student remains out of school for longer than five (5) consecutive days or is not receiving appropriate treatment, this may constitute child neglect and should be reported to Child Protection Services.

SCHOOL POLICIES

SCHOOL HOURS

Students arriving after 8:05 A.M. will be considered tardy. Any student arriving after 8:15 A.M. or leaving before 2:45 P.M. will be counted absent for 1/2 day.

ATTENDANCE POLICY

An absence will be excused if any of the following are met:

1. The student has authorization in writing by a licensed person in the legal or medical profession, turned in no later than the 2nd day after returning to school. This would be considered a certified absence.
2. Death in the immediate family.
3. Special situation as determined by the principal or designee.
4. A parent phone call or signed note by the parent excusing the absence, turned in no later than the 2nd day after returning to school.

A student may accumulate 5 excused absences per semester. All absences in excess of this limit will be considered unexcused unless covered by numbers 1, 2, or 3 above.

Further accumulation of unexcused absences during this current school year could result in your child being referred to Project Attend, Dubois County's chronic absence prevention program.

The accumulation of 10 or more unexcused absences in a year will result in referral to Dubois County's juvenile probation program. Specific steps of this process are outlined as follows:

Step 1: 3 Unexcused Absences

- Phone call to parent/guardian
- Copy of school attendance policy sent via **registered mail**
- Student's name placed on Attendance Officer's watch list

Step 2: 5 Unexcused Absences

- Phone call to parent/guardian
- Certified letter mailed home (or in person meeting held) with a copy of school attendance policy and a School Attendance Statutory Advisement and Admonition that the parent must sign in person at the school
- School Attendance Officer meets with parent and child (can be done in conjunction with and simultaneously to the above requirement)

Step 3: 7 Unexcused Absences

- Phone call to parents/guardians
- Referral to PROJECT ATTEND through Juvenile Probation Officer

Step 4: 10 Unexcused Absences

- Referral to Dubois County Prosecutor for Educational Neglect and/or Delinquency Petition filing
- Referral to Department of Child Services Abuse/Neglect Hotline

Please call the principal to further discuss this matter and any questions you may have.

A change in a student's regular bus assignment may be granted for special needs if a note from a parent is submitted to the teacher/office stating the reason for the request and the duration of the change. However, all changes must be approved as the capacity of each bus is different and our central office administration will closely monitor the routes.

In the event of a transportation change, please contact the **elementary school office**. All changes must be made no later than **2:00 PM**.

WEATHER AND OTHER EMERGENCIES

SCHOOL CLOSINGS

Schools may be closed for operation due to weather or other circumstances. When that happens, you should receive a call from the Southwest Dubois County School Corporation. If you are not receiving those calls, please contact the elementary school office.

EARLY DISMISSAL

Schools will sometimes need to release early due to impending weather or other circumstances. In that case, you will receive a phone call notification that school is dismissing early. If school is dismissed early, students go home via their normal transportation.

In such situations, we kindly request to only call for emergency transportation changes. It is a priority to keep phone lines open for emergencies only.

TWO HOUR DELAY

On a two hour delay, there will be no breakfast served and no morning preschool. Bus transportation will begin two hours later than the normal time. Students may be dropped off starting at 9:30 A.M. and school will begin at 10:05 A.M.

MEAL SERVICES

Breakfast is available for all students who are interested. The breakfast program also qualifies under the financial assistance program, so families qualifying for free/reduced lunches may also take advantage of this opportunity. Research has shown that breakfast is the most important meal of the day, and we are pleased to be able to offer this program to our students. All buses are here by 8:00 A.M. Car riders wishing to eat breakfast need to be here by 8:00 A.M. The breakfast serving line will close at 8:05 A.M. **Student breakfasts are free** for the 2024-2025 school year.

Student lunches are served daily. If you choose to pack your child's lunch, please do not include items that must be heated or refrigerated. Also, please do not include soft drinks in student lunches. Milk, Kool-Aid, fruit juices, water, or similar types of drinks are acceptable. Make sure that any lunch boxes are clearly labeled with your child's name. A student's lunch costs \$2.50, and a reduced student lunch costs \$0.40.

All families are highly encouraged to complete the free/reduced lunch application annually.

Families can create an account through MySchoolBucks to pay for students' meal balances online.

For more information on SWDCS food services, please visit <https://www.swdubois.k12.in.us/district-departments/food-services> or contact our Food Service Director, Maggie Leavitte. (812) 683-2272, ext. 2607

COMMUNICATION

Communication between school and home is an important link in your child's success in school. Students will be provided information to connect with their classroom teacher via SeeSaw, a mobile communication app. School and classroom information will be sent home via a school newsletter, School Messenger, and/or Facebook. Grades and attendance information can be found by logging into your child's PowerSchool account.

If you have any questions or school related concerns, please follow this procedure:

1. Contact the classroom teacher involved, or if the question concerns general policy, contact the office. Every attempt should be made to resolve the problem with the classroom teacher.
2. If you do not feel that the problem has been resolved after contact with the classroom teacher or office, you may then talk with the building principal.
3. If, after contact with the building principal, you do not feel the issue is resolved, you should contact the superintendent.

STUDENT HEALTH AND WELLNESS

STUDENT ILLNESS

If your child becomes ill while at school and needs to go home, the nurse's office will try to contact a parent. If the parent is unavailable, the school will attempt to contact other family members through emergency numbers provided on the enrollment form. Symptoms that indicate a child should go home include (but are not limited to) vomiting, diarrhea, an infection of the eye or a temperature in excess of 100 degrees.

ADMINISTRATION OF MEDICATION AT SCHOOL

No medication shall be administered to a student without the written and dated consent of the student's parent. The consent of the parent shall be valid only for the period specified on the consent form and in no case longer than the current school or program year. All non-prescription medicine to be administered to a student must be accompanied by a statement describing the medicine, the dosage, and the time for it to be administered to the student. All prescription medicine, including injectable medicine, and all blood glucose tests by finger prick to be

administered to a student must be accompanied by a physician's prescription, a copy of the original prescription, or the pharmacy label. If the medication is to be terminated prior to the date on the prescription, the written and dated consent of withdrawal of consent of the parent and the written order of the physician shall be kept on file. No student shall be allowed to keep medicine at school. Any medicine to be administered to a student shall be brought to the school office where it will be kept in a secure place.

Medication shall be administered in accordance with the parent's statement (in the case of non-prescription medicine) or the physician (in the case of prescription medicine) only by a school nurse or other employee so designated in writing by the school principal. All administration of medicine shall be documented in writing. Any designated employee who is responsible for administering injectable insulin or blood glucose tests by finger prick shall receive proper training, and such training shall be documented in writing.

HEAD LICE INFESTATION

In the event a child is examined by the school nurse or any other designated school official and found to have an infestation of live lice present on the scalp and/or body with nits closer than 1/2" from the scalp the parent will be called and the child will be sent home for treatment. Information will be provided about proper treatment techniques for family members and personal belongings.

An infested child should not be allowed to return to school until after treatment. Upon re-entry the child should be checked by the school nurse or designated person who understands the control measures. Evidence for treatment includes no live lice, no nits closer than 1/2" from the scalp, clean hair and scalp, and a statement from the parent(s) as to what treatment was used.

IMMUNIZATION POLICY

Minimum Requirements for School Entry

When a child enrolls in the Southwest Dubois County School Corporation for the first time or any subsequent time and at any level, his parents/guardians must show either that he/she has been immunized or that a current parental or medical objection to immunization is on file. It shall be emphasized that it is the parent's responsibility to provide the school with proof of immunization or the proper medical or religious exemption. This law includes all children enrolled in this School Corporation, not first time entrees only. The definition of "immunized" will vary according to the age of the child. Certain minimum requirements are established by the Indiana State Board of Health to simplify the task of administration.

Parents are encouraged to provide the School Corporation with complete immunization records prior to the start of school.

If a parent is not responsive, or treatment not successful, a home visit may be warranted. Failure to comply may constitute child neglect and should be reported to Child Protection Services.

Children Enrolled with Less Than the Minimum Requirements

Children with a history of receiving less than the minimum requirements for immunization have a period of twenty (20) calendar days in which to begin or resume their series. Students may remain in school at the end of a granted waiver period by documenting that they have:

1. Completed all requirements,
2. Entered upon a specific schedule of immunization approved by a physician or the local Health Department, or
3. Qualified for exemption.

Children Exempted from Minimum Requirements

In order for a child to be exempted from complying with minimum immunization requirements for medical or religious reasons, the parent(s) or guardian(s) are required to submit a written request for exemption and the request must be filed annually with this School Corporation. In the case of a medical exemption, the signature of a physician is required. For other exemptions, the signature of a parent or legal guardian is sufficient.

For their own protection, exempted students will be excluded from school in the event of an outbreak.

Documentation of Immunization

An immunization history may be documented in one of three ways:

1. By a physician's certificate, including the number and dates of doses administered;
2. By records forwarded from another School Corporation including number and dates of doses administered;
3. By a record maintained by the parent(s), which documents the date each dose of vaccine was received. Month, day, and year are required for the measles, mumps, and rubella vaccine because children receiving this vaccine prior to their first birthday are less likely to be adequately protected.

Exclusion

Any student currently enrolled in the Southwest Dubois County School Corporation who is not meeting minimum requirements for immunization or who does not have an annual medical/religious exemption filed according to this policy, will be excluded from school until immunization has been initiated and exemptions on file. Failure to comply will result in notification to Child Protection Services.

ACADEMICS

GRADING SCALES

Kindergarten, First, and Second Grade ratings are standards-based using a scale of 1, 2, or 3.

- 1 = Below grade level/Does not meet standard
- 2 = Approaching grade level/standard
- 3 = On grade level/Meets standard

Third, Fourth, and Fifth Grades use the basic scale used for determining grades for students:

A = 93-100%	B+ = 87-89.99%	C+ = 77-79.99%	D+ = 67-69.99 %	F = Below 60
A- = 90-92.99%	B = 83-86.99%	C = 73-76.99%	D = 63-66.99%	
	B- = 80-82.99%	C- = 70-72.99%	D- = 60-62.99%	

Students receiving an F on a mid-term or regular grading period report may not participate in any school-sponsored team. A student may regain their eligibility at the next reporting period if they do not receive an F. Inappropriate conduct may also cause a student to lose their eligibility to participate.

HONOR ROLL

Students in grades 3-5 must receive all A's and/or B's in academic areas to qualify for the Honor Roll.

ACADEMIC HONORS

Students will be eligible to receive an academic award in which they earn a 3.7 grade point average through the first three quarters of the school year.

HOMEWORK

Homework is an out-of-school assignment that contributes to the educational process of the student; homework is an extension of class work and is related to the objectives of the curriculum. All homework sent home is to practice skills that have already been taught. Parents are not expected to help their child excessively, but parental interest goes far in encouraging a child. Study assignments are just as important as written assignments. How your child views homework is largely dependent upon your interest and involvement. Parents can do their part to improve homework by:

1. Parents can check folders/backpacks daily.
2. Stay in communication with your child's teacher.
3. Establish a homework routine at home.

PROMOTION OF STUDENTS

The principal shall adopt the criteria for promotion within his/her building. Parents who request to have their child retained, even though the student has been promoted, are to submit their request in writing to the principal. The request is to contain the reasons for retaining the student in the previous grade level. The request is to be submitted to the principal within two (2) weeks after the end of the second semester.

RETENTION OF STUDENTS

Results obtained from standardized achievement tests and academic progress will be important factors in the retention decision. The combined views of the teachers, principal, and parents will be considered. The final decision on retention shall remain with the principal of the school. The principal or designated teacher will send a statement by the end of the fourth grading period, notifying parents of the possibility that their child may be retained. The principal of Huntingburg and Holland Elementary Schools have additional guidelines relating to the retention of students on file in their respective offices. It is prohibited to retain a student in a grade level for the sole purpose of improving a student's ability to participate in extracurricular athletic programs.

TEACHER/PARENT/STUDENT COMPACT

Huntingburg Elementary believes that significant learning by a student is more likely to occur when there is an effective partnership between the school and the student's parents/guardians ("parents"). Such a partnership means a mutual belief in and commitment to significant educational goals for a student, a plan for the means to accomplish those goals, cooperation on developing and implementing solutions to problems that may be encountered and continuing communication regarding the progress in accomplishing the goal(s).

Teacher Responsibilities:

To accomplish the goal, the teacher commits to:

- Provide high-quality curriculum and instruction in a supportive and effective learning environment
- Hold parent-teacher conferences as needed or requested
- Provide parents with frequent reports of their child's progress
- Provide parents with the opportunity to participate in school activities
- Provide parents with reasonable access to staff

A parent will support their child's learning in the following ways:

- Monitoring my child's attendance
- Making sure that homework is completed
- Monitoring the amount of screen time for my child
- Participating in decisions related to my child's education
- Promoting positive use of my child's extracurricular time

- Be responsible, be respectful, be safe, and be ready to learn
- Speak up, reach out, and be a kid against bullying

ENGLISH LANGUAGE LEARNERS

As required by Lau v. Nichols, and further defined by Castaneda v. Pickard, identified EL students at all grades and English proficiency levels must receive language assistance services. Services must be provided to all EL students until reaching proficiency, with students meaningfully and equally participating in educational programs without the need for language support.

We follow the WIDA framework, which provides a comprehensive approach to language development and academic achievement. This framework helps us tailor our instruction to meet the unique needs of each student.

Additionally, our curriculum is designed to be inclusive and supportive of English Language Learners. Our teachers are trained in diverse teaching strategies to promote language acquisition and ensure student engagement.

SPECIAL EDUCATION

All schools must provide special education support and/or programs for students identified as having a disability as defined by the Individuals with Disabilities Education Act (IDEA). A student can access special education services only through the proper evaluation and placement procedure. Parent involvement in this procedure is required. To inquire about the procedure, a parent should contact the school and speak with a teacher, school psychologist, or principal.

Southwest Dubois County Schools are a part of the Exceptional Children's Co-Op who oversee the policy and procedures of special education services. For additional information, contact the Co-Op at 812-482-6661.

SECTION 504-AMERICANS WITH DISABILITIES ACT

The Americans with Disabilities Act and Section 504 of the Rehabilitation Act requires the school to ensure that no individual is discriminated against on the basis of a disability. This protection applies not just to the student, but all individuals who have access to the corporation programs and facilities.

Students with identified disabilities who do not qualify for IDEA may be served through a 504 Plan. This plan entitles the student his/her right to take part in the general education program with accommodations developed through an interactive dialogue between the school, the student, and the student's parents. Parents who believe their child may have a disability that interferes substantially with their child's ability to function properly in school should contact the school principal.
