5. SWOT Review- Small groups reviewed the SWOT completed in Fall 2023, discussing progress, as well as how weaknesses and threats have changed. The group then discussed the needs for educators and businesses moving into the future. This discussion will help guide the development of the 2024-25 BAC Goals that will be developed over the summer and then shared with the BAC for feedback at the start of the 2024-25 school year.

6. The group reviewed the BAC 2023-24 Goals and initiatives, identifying initiatives to change, add, or “tweak.” This input will help guide the development of the 2024-25 BAC Goals.
