What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective Compacts:

- Link to goals of the school improvement plan Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

Parents and students added input about the types of support they needed by completing Parent and Student Surveys based on concerns and needs. They also provide input during Hurricane Parent Academy Sessions.

Opportunities are provided each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the Annual Title I Parent Survey, which is also used to collect parent feedback regarding the current Title I programs and policies.

**Parents are welcome to contribute
comments at any time.**
