4. Describe the action steps the school/district will take to reduce the opportunity gap in student possession of ASB cards and/or participation in extracurricular activities for the upcoming school year.

We will continue to advertise/make students aware that they can qualify for a waiver of ASB Card and Participation Fees.

We will also consider a privately taken survey to identify students who qualify,

Our new ideas include promoting these facts during our Freshmen Only Day Assembly and during our first full-school assembly. We will also use The Falcon Report and our social media sites to make people aware.

One suggestion: this Gap Plan idea should also include activities, not just sports.
