Re: Witter Field Renovation Project Update

Dear Neighbors,

Thank you for your continued patience with the Witter Field renovation project.

This message provides an update on anticipated parking restrictions and other impacts for the middle of June.

Witter Track resurfacing Work is on Schedule

Refer to the attached Witter track resurfacing progress photos.

Bothman has finished preparing the track subgrade and is ready for paving on Monday, June 17th through June 19th.

Barring any unanticipated delays, the final completion and reopening of the Witter track and football field remains scheduled for Friday, August 9th.

The first day of class is Monday, August 12th.

Parking Restrictions

Parking restrictions on Palm, Park View and Winsor remain and should be lifted at the end of the track paving, next week, Wed, June 19th. No parking will be effective from 8am to 4pm, Monday through Friday.

We are hoping only a minimal number of parking restricted days will be needed after the paving date of June 19th.

Parking restrictions on El Cerrito will remain lifted. Bothman will not be using the upper Witter parking lot and it will remain open during regular Witter Complex hours.

As a reminder, parking restrictions have been needed to assure emergency vehicle egress during construction hours. This is per the City of Piedmont Fire Department request.

Witter Complex- Track and Football Field remain closed.

Grass hardball and softball to remain open to limited reserved events- PHS Athletic practices and community group use. Grass Fields will not be open to the public.

All gates leading to the track and football field will remain locked. Access to the Witter Field House and dog park through the Witter Parking lot will remain open.

Winsor driveway gate closure

For your safety, the pedestrian access gate on the Winsor Avenue driveway, which many residents use to access the Piedmont Park off-leash dog area, will be locked during construction hours: Monday-Friday from 7am to 4pm.

We will keep the gate open for pedestrian access to the off-leash dog area outside of construction hours and on weekends.

Updates and Contact Information

The District remains committed to providing regular updates to the community regarding the Witter Field renovation. We understand that construction is inconvenient and disruptive, and appreciate your continued patience, understanding, and cooperation as we complete this important project.

All updates will continue to be posted on the PUSD website at <https://www.piedmont.k12.ca.us/ref/facilities/witter-field-renovation>.

I remain the point of contact for questions and concerns. Please feel free to reach out to me anytime at ppalmer@piedmont.k12ca.us or by phone at (510) 594-2877.

Regards,
Pete Palmer
PUSD, Director of Facilities/Construction Manager
