Title
Regional, State Social Studies Fairs

Requested Action
School Board Recognition of Students Earning Top Honors at Regional and State Social Studies Fairs

Summary Explanation and Background

Through the annual CCSD Social Studies Fair program, participating students in grades 5-12 research and complete a project individually or as part of a team. Students present their projects for judging at the district fair, and top scoring projects advance to regionals and compete for the opportunity to move onto the Georgia Council for the Social Studies state fair.

CCSD's regional winners are: Estelle Cooper and Alison Haas, Mill Creek MS rising eighth-graders, in History for "Ford Changed the World" -- teacher Wendy Malsby; Rachael Crachi and Aubrey Quinn, Mountain Road ES rising sixth-graders, in History for "Apollo 13" -- teacher Anna Jurnack; Logan Dructor, Dean Rusk MS rising seventh-grader, in History for "What Was the Pig War?" -- teacher Jacob Pendergraft; Grayson Mirabelli, E.T. Booth MS rising ninth-grader, in Sociology/Social Psychology for "Steroids in Sports: Dope or Nope?" -- teacher Laura Bilbo.

Rachael and Aubrey advanced to earn the top prize of Best of Discipline honors in the History category at the statewide 2024 Georgia Social Studies Fair.
