

NUTRITION

The board recognizes that a healthy school environment prepares students for college, careers, and successful futures. Students who eat well-balanced meals are more likely to learn in the classroom. The board supports the district's increased emphasis on nutrition at all grade levels to enhance the well-being of the district's students. Therefore, it is the policy of the board to provide students with access to nutritious food as stated in this policy and the accompanying procedure.

Nutrition and Food Services Program

The board supports the philosophy of the National School Lunch and School Breakfast Program and will provide wholesome and nutritious meals for children in the District's schools. The board authorizes the superintendent to administer the food services program, provided that any decision to enter into a contract with a food service management company will require the approval of the board. Expenditures for food supplies shall not exceed the estimated revenues.

The superintendent or designee is responsible for:

- Annually distributing meal applications and determining eligibility for school meals;
- Protecting the identity of students eligible for free and reduced-price meals;
- Ensuring meals meet USDA meal pattern requirements;
- Ensuring meal periods are in compliance with USDA regulations;
- Establishing a Food Safety Plan;
- Determining meal prices annually and submitting them to the board for approval annually;
- Using the full entitlement of USDA Foods;
- Maintaining a nonprofit school food service account;
- Ensuring all revenues are used solely for the school meal program;
- Establishing a meal charge policy;
- Accommodating children with special dietary needs;
- Ensuring compliance with USDA nondiscrimination policies;
- Following proper procurement procedures; and
- Ensuring compliance with the Smart Snacks in School nutrition standards.

Federal Programs

Participation in various federal programs related to nutrition, including the National School Lunch Program, the School Breakfast Program, and the United States Department of Agriculture (USDA) Smart Snacks in School nutrition standards, require a wellness policy. The district will address and follow its comprehensive wellness policy in accordance with 6702 - Wellness.
