

Landfill & Transfer Station Policy starting July 1, 2024

1. **All Residents** seeking to use the landfill/transfer station will be required to purchase a yearly **Resident Permit** which will give access to both the transfer station and landfill. Residents must show a vehicle registration with a Suffield address or proof of ownership of a residential property. Additional fees may apply per Section 4. Any resident who does not have trash or recycling picked up at their residence may get a Household Trash Permit free of charge after filling out the Certification for Household Trash application. Nothing in this section shall inhibit any resident from accessing bulky waste. **\$25 per year, Non-prorated**
2. **Contractors** doing work in Suffield will be required to purchase a yearly **Contractor Permit** to access the landfill and transfer station scale to weigh commercially generated waste. A building permit or other proof of Town jobsite is required. Additional fees will apply as listed in Section 4 below. Persons owning property in Suffield but living out of state may purchase this permit for Brush, Logs, Leaves, Grass as well as anything under the Additional Fee Schedule. **\$25 per year, Non-prorated**
3. Permit stickers will be applied to the lower passenger side of the windshield by an employee.
4. Additional Fee Schedule for **Resident Permit** and **Contractor Permit**.
