#### **COMBINED GENERAL FUND**

**General Operating Fund:** This fund is the major operating fund of the district. It is used to account for all financial resources of the district, except those required to be accounted for in another fund. Consistent with the FY22-2023 Adopted Budget, the General Operating Fund now includes activities previously reported in the Technology Fund.

**Differentiated School Support Fund**: This fund was established in fiscal year 2021-22 as part of the district's Strategic Plan. The fund is used to track spending of resources allocated to schools identified with differentiated levels of support needs.

**Athletics Fund**: This fund includes the expenditures for interscholastic sports for grades 8-12 and intramural athletics at all grade levels. Revenues include a transfer from the General Operating Fund as well as student participation fees and game admissions. The activities related to interscholastic sports for charter schools are recorded within the individual charter school's budget.

**Preschool Fund**: This fund accounts for the activities of tuition-based preschool programs at the Mapleton Early Childhood Center and 19 elementary schools. In addition, this fund accounts for activity of the district's Colorado Preschool Program, related to Senate Bill 01-123.

**Risk Management Fund**: This fund accounts for the resources used for the district's risk management activities including liability, property, and workers' compensation insurance.

**Community Schools Fund**: The Community Schools Fund is used to account for the district's educational and enrichment opportunities provided through extended use of Boulder Valley School District facilities.

#### Note

The district also holds cash balances in its checking accounts. Neither is reflective of fund balance, which encompasses other district assets and liabilities.

#### **Policy Notes**

Objectives of the district's cash management and investment policy are to preserve capital, meet the daily liquidity needs of the district, diversify investments, conform to applicable state statutes, and generate market rates of return. All investments are pooled, except those required by policy to not be pooled, as depicted above. Investment income from specifically identified investments is credited to respective investment account. Investment income from pooled investments is credited to the General Operating Fund.

Colorado statutes limit authorized investment type. District policy further restricts investments of the district to the following:

- 1) U.S Treasury Obligations
- 2) Federal instrumentality securities (i.e. U.S. Agency securities)
- 3) Repurchase agreements
- 4) Commercial paper
- 5) Non-negotiable certificates of deposit
- 6) Local government investment pools
- 7) Money market mutual funds

The district's complete Cash Management/Investment Policy DFA can be found on the BVSD website at https://www.bvsd.org/about/board-of-education/policies/policybycategory/~board/d-policies
