COMMENTS ON COMPONENTS OF AND CHANGES TO FUND BALANCE FOR THE FISCAL YEAR AND RESERVE FUNDING PLAN

Definition: A reserve fund is a separate account established by a school district to finance the cost of various objects or purposes of the school district.

General Fund Restricted Fund Balance:

1. Reserve for Workers' Compensation:

Purpose: This reserve may be used to pay for compensation benefits and other expenses authorized by Article 2 of the Workers' Compensation Law and for payment of expenses of administering the self insured program.

Explanation for change: The remaining balance was fully utilized in 2013-14.

Other Comments: This reserve does not require voter approval either to create or expend.

Funding: Due to the District's participation in the Nassau County Workers' Compensation Cooperative as of November 2010 and the subsequent wind-down of tail claims incurred prior to that date, there is no need to add funds to this reserve.

2. Reserve for Retirement Contribution/TRS Sub Fund:

Purpose: This reserve is used to fund retirement contributions payable to ERS--the NYS and Local Employees Retirement System and TRS--the NYS Teachers Retirement System.

Explanation for change: The remaining balance in the reserve was fully utilized in 2013-14.

Other Comments: This reserve fund does not require voter approval either to create or expend.

Funding: Because the District participates in the ERS Stable Contribution Option, it is not anticipated that the District will place additional funds in this reserve at this time. TRS contribution rates are relatively stable and funding the TRS Sub Fund is not anticipated at this time.

3. Reserve for Repairs:

Purpose: This reserve may be used to pay the cost of repairs to capital improvements or equipment of a type which does not recur annually or at shorter intervals.

Explanation for change: The 2021-22 Budget provided for a budgeted transfer of \$125,000 into the Repair Reserve, and change also includes earned interest in each year presented.

Other Comments: This fund was established through voter approval for funding in 1990. Funds may be spent without voter approval, but only after a public hearing, except in emergency situations. In the case of an emergency, expenditures may be authorized by a two-thirds vote of the school Board, but the amount must be repaid to the reserve over the ensuing two years.

Funding/Usage: Voter approval is required to transfer funds to the reserve for repairs. A portion of the repair reserve was used in 2022-23. Any usage would be subject to Board of Education approval, after a public hearing.

4. Reserve for Unemployment Insurance:

Purpose: This reserve may be used to reimburse the State Unemployment Insurance Fund for payments made to claimants.

Explanation for Change: The remaining balance was transferred in 2016-17.

Other Comments: This reserve does not require voter approval either to create or expend.

Funding: The District increased staff in 2014-15 through 2017-18, and unemployment expense during the same period averaged approximately \$20,000 in each year. Therefore, effective June 30, 2017, it was determined that the District can meet its obligations for unemployment benefits out of budgeted fund and the balance in this reserve was transferred to the 2010 Capital Reserve. It is not anticipated that the District will place additional funds in this reserve at this time.

5. 2010 Capital Reserve:

Purpose: This reserve fund may be used to pay for the cost of any object or purpose for which bonds may be issued.

Explanation for change: On May 18, 2010, the voters approved the establishment of the 2010 Capital Reserve of up to \$10 million and the Board funded the account with a \$2,118,734 transfer from the Insurance Reserve as of June 2010. On May 17, 2011, voters approved capital projects totaling \$2,405,725 to be funded from the 2010 Capital Reserve, together with unassigned fund balance of up to \$286,991. Projects were completed during Summer 2012 and in 2013. The balance at June 30, 2013 was fully expended in 2013-14, as all approved capital projects were completed. In June 2014 and October 2014, the Board authorized the transfer of \$2 million and \$400,000, respectively, to the 2010 Capital Reserve. In June 2015, the Board authorized the transfer of up to \$3.5 million to the 2010 Capital Reserve, of which \$1,805,170 was transferred as of June 30, 2015. The use of the \$2.4 million was authorized by the voters in December 2014 to partially fund \$22.6 million in capital projects over the next two years. Of this, \$1.75 million was transferred in 2014-15 and \$650,000 was transferred in 2015-16. In June 2016, the Board authorized the transfer of up to \$2 million into the 2010 Capital Reserve. The actual transfer was \$541,307 as of June 30, 2016. In June 2017, the Board authorized the transfer of up to \$2,928,500 to the 2010 Capital Reserve. The actual transfer was \$1,340,175. The voters approved Proposition 2 on the May 17, 2022 ballot to expend \$3.185 million for certain capital projects, including \$900,000 from the 2010 Capital Reserve. Since its inception, interest earnings are \$219,621, and \$10,000,000 of the 2010 Capital Reserve has been utilized for capital projects authorized by the voters.

Other Comments: This reserve fund requires voter approval to create and expend. Currently, the District does not anticipate seeking voter approval to utilize the remaining balance in the 2010 Capital Reserve.

Funding: The 2010 Capital Reserve has been fully funded.

6. 2018 Capital Reserve:

Other Comments: This reserve requires voter approval to create and expend. Other Comments: This reserve fund requires voter approval to create and expend. Currently, the District does not anticipate seeking voter approval to utilize funds in the 2018 Capital Reserve.

Funding: The 2018 Capital Reserve will be funded generally through the transfer of surplus money, if any, from the District's General Fund unappropriated fund balance that may be available at the end of each fiscal year.

General Fund Nonspendable Fund Balance:

Purpose: Nonspendable fund balance was reserved for prepaid expenses at June 30, 2019, expended in 2019-2020.

Purpose: Reserved for payment to vendors whose invoices have not yet been received.

Explanation for change: The dollar amount of payments to vendors estimated to be open for payment at the end of the school year fluctuates.

Purpose: To be used for tax levy reduction in the next fiscal year.

Explanation for change: The 2020-21, 2021-22, 2022-23, 2023-24 budgets applied \$724,067 to the respective tax levy.

Funding: The District evaluates the need for designations for subsequent year's expenditures in concert with the annual budget process.

General Fund Unassigned Fund Balance:

Purpose: This amount is the unallocated portion of the District's fund balance. NYS Real Property Tax Law permits the retention of up to 4% of the current budget as unassigned.

Other Comments: The District's unassigned fund balance at June 30, 2020 was \$4,026,393 after the designation of \$4,348,511 of unassigned fund balance as assigned for the specific purpose of covering the expenses associated with the COVID-19 Reopening Plan in 2020-21. These unanticipated expenses were not provided for in the general fund budget for 2020-21. This assigned and designated fund balance was 4.32% of next year's budget. After such designation, unassigned fund balance of \$4,026,393 was 4% of next year's budget. Actual expenditures related to the 2020-21 COVID-19 Reopening Plan were \$4,210,003. The District's unassigned fund balance at June 30, 2021 is \$4,092,808 after the designation of \$925,000 of unassigned fund balance as assigned for the specific purpose of covering the expenses associated with the COVID-19 Reopening Plan in 2021-22 and to enhance systems security in the wake of the cybersecurity attack in September 2021. The District's unassigned fund balance at June 30, 2023 is \$4,309,820, or 4.0005 of the 2023-24 budget.

Funding: The District intends to maintain Unassigned Fund Balance at the statutory maximum of 4% of current budget.

Purpose: The fund is used to account for activities using specific revenue sources, including Federal and State grants that are legally restricted to expenditures for specified purposes.

School Lunch Fund:

Purpose: The fund is used to account for the activities of the District's school lunch activities.

Other Comments: The assigned unappropriated fund balance must be utilized in support of the school program and may include equipment upgrades and cafeteria renovations. Fund balance at June 30, 2020, 2021 and 2022 was approximately 4.45, 4.01 and 4.72 months average expenditure, respectively.

Funding: Federal regulations limit the net cash resources to be retained by the school lunch fund to 3 months average expenditure and requires a plan to expend excess funds. In 2023-24, the District plans to:
