GENERAL CAMP INFORMATION

Initially started as a middle school basketball tournament for Chicago's independent schools, Cooler By The Lake is excited to expand its offerings to summer sports camps! Half-day camps are offered to elementary and middle school students looking to develop their game in a fun, community-driven environment.

2024 Summer camps will be held at Sacred Heart Schools in Chicago's Edgewater neighborhood. This facility offers a two-court gymnasium for our basketball camps.

CAMP COACHES INFORMATION

Summer camps will be directed by Nathan Diambra. Coach Diambra has over a decade of experience coaching and leading athletic programs at the college and high school levels. He is currently the Assistant Athletic Director at Sacred Heart Schools, and is passionate about helping youth athletes develop their passion for sport.

Additional camp coaches will be hired from college, high school, and travel sports programs throughout the Chicago area. Coaches and student-athletes who come from successful programs and express a passion for developing the next generation of athlete will be prioritized to ensure a positive experience for all campers.
