

# Buckeye Union Reopening Guidelines Overview

---

Presented to Buckeye Union Board of  
Trustees 9/23/2020

# General Measures

---

- Aligned with California Department of Public Health in consultation with El Dorado County Public Health
- Will evolve as guidance changes or are clarified
- Each site, in collaboration with Site Councils, has posted a site plan

# Hygiene/Health

---

- Handwashing and/or sanitizing essential
- Immunizations/Flu Shots

# Face Coverings

---

- Mandatory for all employees and students in grades 3-8
- Strongly encouraged for grades TK-2
- Cotton, silk, or Linen
- Must cover nose and mouth

# Distancing

---

- 6 ft to the extent practicable
- Face covering may be removed during outdoor activity (e.g. recess, P.E.) when distanced

# Disinfecting, Ventilation

---

- Envirocleanse-A
- Spray and Dry
- 50% fresh air intake per cycle
- Merv 13 Air Filters

# Screening

---

- Begins with parents screening from home
- Teacher will perform visual screen
- Employees self-screen each morning
- COVID-like symptoms, STAY HOME!

# Response to Covid

---

- District Nurses in constant contact with Public Health
- May require individual, classroom, school, or District quarantine: Public Health will be consulted
