COMMENTS

CMP Shingle Springs is gearing up for the El Dorado County Spelling Bee! Last year's teams performed well, bringing home several plaques and medals. The momentum continues, as over 100 students showed up at the "spell offs" last week. We are entering a team in each Division, so our four teams narrowed it down to their top 5 finishers with an alternate on each team. Congratulations go out to our teams as they start preparing for May's County Competition!

- Ms. Amber's Division I Spellers (1st/2nd grades): Andre D., Anna I., Dominic J., Evan K., Zachary L., and Blake P.
- Mrs. Chanda's Division II Spellers (3rd/4th grades): Clavey F., Vikas V., River R., Rocco S., and Surya S
- Mrs. Barton's Division III Spellers (5th/6th grades): Kayden H., Adam L., Alex T., Sreya S, Sophia S., and Ruby M.
- Mr. Tom's Division IV Spellers (7th/8th grades): Rob F., Madi W., Lauren S., Sawyer F., and Grace L.

Our Beginning and Advanced Bands performed at their Winter Concert on January 24th. The concert was filled with solos, small group performances and several full band pieces. The audience was very impressed with the talent of our student musicians!

BUCKEYE UNION SCHOOL DISTRICT

AGENDA ITEM #: XIII.1.

ACTION ITEM: Consideration of Material Revision to the Rising Sun Montessori Charter School Petition

SITUATION:

The Rising Sun Montessori Charter School is a Buckeye Union School District authorized independent charter school established in July 2014, with the current term commencing on July 1, 2017, and ending on June 30, 2022, to serve students in TK through eighth grade.

Rising Sun Montessori (RSM) has notified the District that the current facility lease will be expiring and after an exhaustive search they have been unable to locate a facility within the boundaries of the District capable of housing RSM's entire program. Therefore, RSM is requesting that the Board consider approval of a material revision to its Charter to allow it relocate its school site to a location within the Latrobe School District boundaries at 4940 and 4958 Robert J. Mathews Parkway, El Dorado Hills, California.

The Education Code permits RSM to establish one site outside of Buckeye's boundaries and within Latrobe if: (1) RSM has attempted to locate a single site or facility to house their entire program within Buckeye's boundaries, but a site or facility is unavailable; and (2) RSM notifies Latrobe of its intent to locate within their boundaries before the Material Revision to the Petition is approved and notifies the El Dorado County Superintendent of Schools and the State Superintendent of Public Instruction of its location before RSM commences operations.

In addition, Education Code Section 47607(a)(2) requires Rising Sun Montessori Charter School to also revise its current Charter Petition to bring its Petition current with any law applicable to charter schools that have been passed since Rising Sun Montessori's last approval when presenting a request for a Material Revision.

PLAN:

To have the Board hold a Public Hearing and Approve the request of the Rising Sun Montessori Charter School to approve a material revision to their charter to allow RSM to relocate to 4940 and 4958 Robert J. Mathews Parkway, El Dorado Hills, California and to bring the amended Petition current with any new requirement enacted into law after the charter was originally granted as set forth in the Resolution.

FISCAL IMPACT:

None.

SUPERINTENDENT'S RECOMMENDATION:

The Superintendent recommends that the Board approve the request of the Rising Sun Montessori Charter School to approve the Material Revision to the Petition as presented.

BEFORE THE
GOVERNING BOARD
OF THE
BUCKEYE UNION SCHOOL DISTRICT

RESOLUTION TO APPROVE THE MATERIAL REVISION OF THE RISING SUN MONTESSORI SCHOOL, INC. PETITION FOR THE RISING SUN MONTESSORI CHARTER SCHOOL

RESOLUTION NO. 19-03

WHEREAS, Education Code Section 47600 et seq. provides for the enactment of the Charter Schools Act of 1992; and

WHEREAS, the Rising Sun Montessori Charter School is a Buckeye Union School District authorized independent charter school established in July 2014 to serve students in first through 8th grade; and

Mathews Parkway, El Dorado Hills, California (See, Exhibit A); and

WHEREAS, Education Code Section 47607(a)(2) requires Rising Sun Montessori Charter School to also revise its current Charter Petition to bring its Petition current with any law applicable to charter schools that has been passed since Rising Sun Montessori's last approval (See, Exhibit B); and

WHEREAS, on or about February 20, 2019, the Governing Board convened a public hearing to comply with the provisions of Education Code Section 47605(b) and afforded to every interested person an opportunity to address the merits of the proposed Material Revision to the Rising Sun Montessori Charter School Petition either in writing or orally; and

NOW, THEREFORE, THE GOVERNING BOARD OF THE BUCKEYE UNION SCHOOL DISTRICT DOES HEREBY RESOLVE, DETERMINE AND ORDER AS FOLLOWS:

Section 1. That the above recitals are all true and correct.

Section 2. That the Governing Board of the Buckeye Union School District finds that Rising Sun Montessori Charter School qualifies for an exception to the geographic restrictions for the location of its facilities in that:

(a) Rising Sun Montessori Charter School has attempted to locate a single site or facility to house its entire program within District boundaries, but no such site or facility is available (See, Exhibit C); and

(b) Natalie Miller, Superintendent of Latrobe School District, was notified of Rising Sun Montessori Charter School's intention to locate within its boundaries prior to the Public Hearing and decision for RSM scheduled to be heard on February 20, 2019 (See, Exhibit D);

Section 3. That the Governing Board further finds that:

(a) Approving the amended Petition is consistent with sound educational practice; and

(b) The amended Petition presents a reasonably comprehensive description of an educational program that is likely to provide educational benefit to its students; and

(c) The Petitioners are demonstrably likely to successfully implement their program; and

(d) The amended Petition includes all of the required affirmations; and

(e) The amended Petition includes reasonably comprehensive description of the sixteen elements contained in Education Code Section 47605(b)(5); and

(f) The amended Petition declares that Rising Sun Montessori Charter School will be the exclusive public school employer.

Section 4. Based on the Findings of Fact stated in Section 2 and Section 3 above, that the Governing Board of the Buckeye Union School District approves the Material Revision to the Rising Sun Montessori Charter School to allow the school to relocate its school site to a location within the Latrobe School District boundaries at 4940 and 4958 Robert J. Mathews Parkway, El Dorado Hills, California and to bring the amended Petition current with any new requirement enacted into law after the charter was originally granted as set forth in Exhibit B attached hereto and incorporated here as though fully set forth.

Section 5. That the original term of the charter will remain through June 30, 2022.

Section 6. The District Superintendent or the Superintendent's designee is further authorized to take any further actions necessary to carry out the intent of this Resolution.

Section 7. In the event any section or portion of this Resolution shall be determined invalid or unconstitutional, such section or portion shall be deemed severable and all other sections or portions hereof shall remain in full force and effect. The Board hereby declares that it would have passed this Resolution and each section, subsection, sentence, clause or phrase irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared to be unconstitutional.

Dear Superintendent Miller,

This letter is being submitted to the Latrobe School District by Rising Sun Montessori School (herein after "Charter") in accordance with Education Code Section 47605.1(d) for the purpose of informing you as well as the Members of the Board for the Latrobe School District that the Charter is planning to relocate to 4940 Robert J. Matthews Parkway in the El Dorado Hills business park. The Buckeye Union School District Board of Education will be holding a public hearing to consider this move on February 20th, 2019 and will agendize Board action for approval of this move on February 20th, 2019. This location is within the boundaries of the Latrobe School District, as such the Charter is required to inform you of our relocation prior to the Buckeye Union School District taking action to approve the relocation.

The Charter's current location within the Buckeye Union School District is no longer an option, and after an exhaustive search within the Buckeye Union School District boundaries, no options were available to house the entire program within Buckeye boundaries. The only close property available to meet the needs of the school for the foreseeable future is located in the business park in El Dorado Hills. Charter will be entering its sixth year of operations in the fall of 2019 and currently has no students enrolled who reside within the Latrobe School District. We anticipate that this relocation and the Charter's continued operations as an open enrollment school at the new location will not have an adverse impact on the Latrobe District, as the physical location is approximately 100 yards south of the Buckeye Union School District's southern boundary.

This notice is being sent via electronic mail as well as Certified US Mail.

Thank you for your time, and feel free to reach out should you have any questions or concerns.

Regards,

Karl Zierhut

To whom it may concern,

Over the past several months, Jason Rutherford and I have been trying to locate a site for Rising Sun Montessori. In 2018, El Dorado Hills was a leader in all Sacramento submarkets in office vacay rate decline. This combined with a no new construction has made for a tight market. With no suitable locations available within the boundaries of the Buckeye USD., we were forced to expand our searches. After many cold calls, meetings, tours, conversations with building owners, and other brokers, the only suitable site that we have been able to locate is 4940 and 4958 Robert J Mathews Parkway.

BUCKEYE UNION SCHOOL DISTRICT

AGENDA ITEM: XIII.2.

ACTION ITEM: Revised Job Shares/Reduced Workloads/50% Leave of Absences

SITUATION:
Buckeye Teachers' Association contract, Article 13, requires board approval for job share requests. Teachers participating in job shares are granted a 50% leave of absence. Requests for new or continuing job shares/leaves of absence are annually due in writing by January 15th. However, the Board can consider late requests as well. The maximum number of job shares in the District must not exceed 10% of the total number of regular classroom teaching positions in the District or 20% at any school site.

For 2018/2019, there were five job share pairs (5 FTE) who requested shared contracts. Of these, three teachers requested a Reduced Workload (Article 16, "Willie Brown Act"), one of which was a new request.

For 2019/2020, there are five job share pairs (5 FTE) requesting shared contracts. Of these, three teachers are requesting a Reduced Workload (Article 16, "Willie Brown Act").

PLAN:
Approve requests for all returning job shares and approve new requests for Job Shares/Reduced Workload candidates. Due to fluctuations in enrollment and staffing, the District cannot confirm site assignments for job shares at this time. Site assignments will be made later in the spring/summer after more information about staffing needs is available.

FISCAL IMPACT:
The fiscal impact is an average of $471.60 in salary for each part-time teacher due to required attendance at all in-service days. Approximately $9,600 in additional health and welfare and STRS costs for each Reduced Workload participant.

SUPERINTENDENT'S RECOMMENDATION:
The Superintendent recommends approval of all shared contract requests, including Reduced Workload requests, for the 2019/20 school year.

Are you an incumbent Delegate? ■ Yes ☐ No | If yes, year you became Delegate: 2012

Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly. (Character count limit: 700)

I wish to continue to serve as a CSBA Delegate for my region because I believe I have the experience, communication skills, determination and passion to represent my fellow school board members. I am a strong communicator and have developed solid working relationships with other board members, county school board members and superintendents as well as our area legislators.
I am an active and vocal advocate for school boards and the districts we lead. I've met regularly with legislators to express the need for full & fair funding for our K-12 public schools. I live close to Sacramento and have the time and energy to continue to advocate with our legislators and new Governor.

Please describe your activities and involvement on your local board, community, and/or CSBA. (Character count limit: 700)

On my local school board, I participate actively in board discussions and planning. My years of experience enables me to take the lead on budget planning, master facilities planning and long-term goal setting for our district. In addition, I regularly visit school sites & observe staff collaboration. I take advantage of opportunities to continually further my board knowledge by attending CSBA trainings, workshops at our county office of education and district trainings.
I have served on the El Dorado County School Board Association for the past four years. I work with our regional CSBA PACER to attend advocacy meetings with our local state assemblymen and senators on education issues

What do you see as the biggest challenge facing governing boards and how can CSBA help address it? (Character count limit: 700)

I believe that the continuing struggle to receive full and fair funding for our public K-12 schools is our biggest challenge. There is a misconception among legislators and the public that because we have received more funding under the LCFF formula, we are now 'fully' funded. We know this is incorrect and must work to change that view, make sure they understand the facts and increase our per-pupil funding to proper levels. The growing pension obligations that districts are facing is eating into our budgets and this issue must also be addressed with the legislature. Pension debt is negating whatever funding increases we have received the last few years.

I have served on the Mono County Economic Development, Tourism and Film Commission for 13 years (10 as the Chair), have been the President of the Bridgeport Chamber of Commerce, helped found the Bridgeport Fish Enhancement Foundation, and was elected to the Eastern Sierra Unified School District 6 years ago. What do you see as the biggest challenge facing governing boards and how can CSBA help address it? (Character count limit: 700)

Many challenges face governing boards, and while improving local budget conditions, and maintaining local control are tremendous opportunities, effective community engagement may be one of the greatest keys to enhancing all aspects of the school environment. Breaking down perceived and institutional barriers will lead to greater support for public schools, and ultimately lead to improved student achievement. CSBA can take the lead by helping to share and develop best practices for governance that maximizes the relationships between schools and various community stakeholder groups.
