OVERVIEW

This handbook was prepared to provide information to all classified employees of the Bluffton-Harrison Metropolitan School District. The provisions contained within the handbook have been reviewed and approved by the Board of School Trustees. It is hoped that through this communication, employees will better understand their benefits and rights of employment with the school district.

A classified employee is defined as any employee who does not require a license issued by the Teacher Education and Certification Division of the Indiana Department of Education to perform his or her duties. Classified employees within the school district basically work either during the school year (nine or more months duration but less than twelve months) or for a full calendar year (twelve month employees). Classified employee categories and the average number of hours to work per day are as follows:

Category

Aides	6 ½ or less
Custodians	8
Food Service Director	8
Kitchen Managers	7
Food Service Employees	6 ½ or less
Maintenance Personnel	8
School Nurse	7 ½
Secretaries	7 ½
Bus Drivers	3
Childcare Personnel	5 ½ or more
Childcare Director	Stipend
Preschool Personnel	3 or more

Each of the above defined number of hours are exclusive of lunch time with the exception of nurses, who must remain available for emergencies during lunch.

Specific working hours will be established and assigned by the classified employee's immediate supervisor. All classified employees are hired on an at-will basis. This means that either party may terminate employment by giving the other party a two-week written notice. All other definitions of "employment-at-will" defined in Indiana statute or by previous litigation will be recognized by the Bluffton-Harrison Metropolitan School District.

BOARD'S RIGHTS

The Board shall have the responsibility and authority to manage and direct on behalf of the public the operations and activities of the school corporation to the full extent authorized by law. Such responsibility and activity shall include but not be limited to the right of the Board to:

- A. Direct the work of its employees.
- B. Establish policy.
- C. Hire, promote, demote, transfer, assign and retain employees.
- D. Suspend or discharge its employees in accordance with applicable law.
- E. Maintain the efficiency of school operations.
- F. Relieve its employees for duties because of lack of work or other legitimate reason.
- G. Take actions necessary to carry out the mission of the public schools as provided by law.

NOTIFICATION OF ASSIGNMENT

Classified employees will receive an annual letter of assignment. This letter will identify the specific assignment, the beginning date of the proposed employment, and the hourly wage.

It should be clearly understood that this letter is used primarily to notify an employee of his or her specific assignment. In no way does it alter the "employment at-will" status of classified employees.

PROFESSIONALISM

ATTENDANCE

All classified employees are to be present and on time in order to best serve the students and school community. BHMSD realizes circumstances arise that cause an employee to be absent from work (LEAVES section of this Handbook). For any absenteeism, classified employees must document leave using the district's electronic leave management system. Honesty in reporting the reasons for absences is expected. Excessive absenteeism or tardiness may result in disciplinary action, up to and including termination.

Attendance is a critical component of effective performance at BHMSD. Classified employees who demonstrate a pattern of excessive absenteeism or tardiness may be subject to assignment transfer and/or disciplinary action, up to and including termination.

ATTIRE

All classified employees will dress in a professional manner appropriate for the employee's position and job duties. All classified employees' dress should, at minimum, adhere to the dress code outlined for students in the Bluffton High School Student Handbook.

BEHAVIOR AND CONDUCT

Classified employees are to serve as role models for students by embodying the principles of ethical behavior and integrity. This includes making informed decisions and consistently following school policies. Classified employees should maintain respectful and professional interactions with students, colleagues, parents, visitors, and the community. This involves active listening, clear communication, and addressing conflicts constructively. All classified employees are entitled to work in an environment that respects their rights and is free from discrimination. Classified employees must treat colleagues, students, and community members with respect, courtesy, and dignity at all times.

CONFIDENTIALITY

Classified employees must respect the confidentiality of student information and professional communications. This includes handling sensitive information with discretion and ensuring that student and employee privacy is maintained.

COMMUNICATION AND TECHNOLOGY USE

Classified employees must use technology professionally and appropriately. This includes both district-provided devices and personal devices. Usage of technology should not interfere with the ability to effectively perform job duties. Electronic communication with students should be conducted through district-approved platforms, such as district email or other sanctioned applications. Additionally, communication between BHMSD employees, whether work-related or as a parent/guardian, must be respectful, professional, and appropriate, reflecting their role as representatives of our school district. Classified employees are encouraged to refrain from

“friending” students via social networking sites. The expectation of professionalism should not be compromised during staff/student interactions. Social media usage must adhere to district policy.

COMMITMENT TO TEAMWORK

Classified employees are expected to work collaboratively with colleagues to support the common goals of the school and district. This involves setting aside personal objectives for the greater good of the school community and contributing to a positive, inclusive environment.

PROFESSIONAL DEVELOPMENT

Classified employees are encouraged to pursue continuous professional development to stay current with best practices and advancements in their area of work. Permission may be granted by the superintendent or his or her designee for an employee to attend training or professional development activities. Payment of regular wages or designated grant funded stipend(s) plus previously agreed upon conference expenses will be made for all previously approved in-service meetings.

ACCOUNTABILITY

Classified employees are accountable for their actions and decisions. This includes taking responsibility for the outcomes of their work and being punctual and prepared for the work day.

OPERATIONS

TIME CLOCK SYSTEM

All classified employees with the exception of salaried employees must utilize the time clock system. Submissions should be completed via the electronic time keeping system.

Overtime hours must have advanced approval by the immediate supervisor. Payment for approved overtime will be made at the rate of one and one-half times the regular hourly rate.

A time clock system houses the time sheet, which is a legal document and it is authorization for the school district to pay an employee for services rendered. Care should be taken to clock in and out as directed. Time clock systems are eligible for audit by the State Board of Accounts every two years.

COMP TIME

Accrual of comp time hours must have advanced approval by the immediate supervisor. Comp time will be taken as straight time unless a forty (40) hour work week has been worked. If an employee has worked over forty (40) hours in the work week, comp time will be given at 1 ½ time. A maximum of forty (40) hours comp time can be accrued. Employees must use accrued comp time within the next two pay periods. A work week is the period of Sunday through Saturday. Hours worked do not include leave days. (Example: sick time, personal leave, bereavement leave, vacation, holiday, etc.)

No employee may work more than 40 hours in one week without the prior approval of the building principal. Normal hours should be shown on the time sheet as they are actually worked. Comp time hours should be reported using the electronic timekeeping system.

WORK SCHEDULE ALTERATION DUE TO INCLEMENT WEATHER

The safety and well-being of students in the schools of the Bluffton-Harrison Metropolitan School District are of utmost priority and importance. From time to time during the course of the school year, alterations may need to be made in the regular working schedule due to inclement weather. Changes in the regular schedule will be announced using an automated messaging system.

The following guidelines will be followed due to schedule alterations:

SCHOOL CANCELLATION

If conditions warrant, school may be canceled by the superintendent of schools. The work schedule for classified employees whose school is closed due to weather related or emergency conditions is as follows:

Unless a snow emergency is verified by the superintendent's office, twelve month secretaries, custodians and maintenance personnel will report to their school buildings and work under the direction of the school principal and/or the superintendent or his designee. Classified employees will be paid for hours worked. If make-up days are required, affected classified personnel will work in the same manner as certified personnel. If twelve month secretaries, custodians and maintenance personnel experience compensation inequities as a result of cancellations, compensatory time off will be granted accordingly.

During a time of a warning level travel emergency officially declared either in Wells County and/or the city of Bluffton, and verified by the superintendent's office, employees should not report to work unless requested by the superintendent or his/her designee. Twelve-month secretaries, custodians, and maintenance personnel may be compensated for up to three days of snow emergency, after which they will be compensated only for hours worked. Personal business days and vacation time may be used for snow emergencies. Classified employees will be paid for hours worked. If make-up days are required, affected classified personnel shall work in the same manner as certified personnel. Subject to the limitations stipulated above, "Leave" days shall not be charged for school days that are canceled.

Exceptions to the above regulations may be made by special order of the superintendent of schools or his/her designee.

SCHOOL DELAYS

If school is delayed due to weather conditions or any other cause, all twelve-month classified personnel report at the regular time. All non-twelve-month classified personnel will report as directed by the building principal.

If a delay is changed to a cancellation, classified employees will be paid for hours worked. If virtual learning is not possible and make-up days are required, affected classified personnel will work without compensation in the same manner as certified personnel.

Bus drivers should plan to begin their duties according to the delay schedule in effect. If a substitute bus driver is on call and is prepared to run a regular bus route, but school is canceled due to these conditions, he or she will be paid one-half a day's wages.

Exceptions to the above may be made by order of the superintendent of schools or his/her designee.

EARLY DISMISSAL

If weather conditions deteriorate during the course of a school day and a decision is made to dismiss students early, twelve-month secretaries, custodians, and maintenance personnel shall complete their work day unless otherwise ordered by the superintendent. Classified employees will be paid for hours worked. If make-up days are required, affected classified personnel shall work without compensation in the same manner as certified personnel.

Exceptions to the above may be made by the superintendent of schools or his/her designee.

VIRTUAL STUDENT DAY

In the event a Virtual Student Day is authorized by the school district in lieu of a traditional school day, classified employees may be required to report for work.

If classified personnel are not required to work on a Virtual Student Day, classified personnel may elect to take the day as an unpaid day or to use an available personal day if the classified personnel wishes to be paid for the day.

Exceptions to the above may be made by the superintendent of schools or his/her designee.

EVALUATION

Each classified employee will be formally evaluated one time per year by his or her immediate supervisor or building supervisor (or designee). The evaluation instrument will be developed and updated from time to time in consultation with the Superintendent's Cabinet and/or classified employees and will contain items to help assure a successful working relationship.

Upon completion, the evaluation form will be signed by the evaluator and the classified employee and placed in the employee's personnel folder which is maintained in the School Administration Building. A classified employee who does not agree with the evaluation may attach a written statement outlining his or her exceptions to the evaluation made. The attached employee statement will also be filed in the personnel folder.

A copy of the evaluation form will also be given to the employee if requested.

Past evaluation forms on file in the personnel folder may be reviewed by the employee upon advance request to the superintendent's office.

BREAK PERIODS

Each 12 month classified employee will be provided break times during the work day. Break periods will be structured as follows:

- **10-hour shift:** One 30-minute morning break (paid), one 30-minute lunch (unpaid), and one 10-minute afternoon break (paid)
- **9-hour shift:** One 30-minute morning break (paid) and one 30-minute lunch (unpaid)
- **8-hour shift:** One 30-minute morning break (paid) and one 30-minute lunch (unpaid)
- **4-hour shift:** One 15-minute morning break (paid)

Administration may alter break and lunch periods as necessary to best serve the needs of the school and/or district.

FLEXIBLE WORK HOURS

Each 12 month classified employee will select from the following work schedule options during the summer period:

- **Standard Work Week:** Maintain the usual 5-day work week with no changes to daily

hours.

- **Four 10-Hour Days:** Work four 10-hour days each week with one day off.
- **Four 9-Hour Days and One 4-Hour Day:** Work four 9-hour days and one 4-hour day each week

Flexible schedule options will be available on the first Monday following the completion of the academic school year and conclude on the last Friday in July. Administration may alter the flexible schedule period as necessary to best serve the needs of the school and/or district.

Regardless of flexible work hours elected by a 12 month employee, standard holiday pay for the July 4 holiday(s) will apply (eight hours per day), and flexible scheduling will not be available for the week of July 4. Work schedules will revert to a standard work week for the July 4 holiday.

Employees electing to work more than 8 hours in a work day during the flexible work hours period are expected to maintain open communication with supervisors and team members, approach work with a positive and proactive mindset, and ensure productivity and efficiency does not lessen throughout the longer work day.

Employees must elect their preferred flexible schedule by notifying the Central Office prior to the end of the academic school year (last staff day). Once selected, the schedule must be adhered to for the entirety of summer period to ensure operational efficiency.

REMOTE WORK

In recognition of the evolving work environment and the potential benefits of flexible work arrangements, Bluffton-Harrison Metropolitan School District is committed to supporting work-life balance for its employees. The following remote work provisions apply to central office and technology department classified employees.

Eligible employees may be approved to work remotely up to two days per week, provided they meet the following conditions:

- **Approval:** Remote work must be approved by the employee's direct supervisor and superintendent (or his/her designee).
- **Schedule Consistency:** Employees should establish a consistent remote work schedule, including set start and end times, to ensure availability during regular business hours.
- **Availability:** Employees must be reachable and responsive during their remote work hours.

Brief, extended remote work periods exceeding two days per week may be considered under special circumstances. These arrangements require:

- **Administrative Approval:** Extended remote work periods must be approved by the employee's direct supervisor and superintendent (or his/her designee).
- **Justification:** A clear justification for the extended remote work period, outlining the necessity and expected duration, must be provided.
- **Evaluation:** These arrangements will be subject to regular review to ensure they meet operational needs and maintain productivity standards.

Employees are responsible for setting up a conducive work environment at home. This includes:

- **Workspace:** A quiet, dedicated workspace free from distractions.
- **Equipment:** Necessary equipment and technology to perform job duties, including a computer, internet access, and any other required tools. The district may provide certain equipment as needed.

Employees must adhere to district policies on data security and confidentiality, ensuring that:

- **Data Protection:** Sensitive information is protected and not disclosed to unauthorized individuals.
- **Device Security:** Devices used for remote work are secured with appropriate security measures, such as antivirus software and strong passwords.

Remote employees are expected to maintain high levels of productivity and meet performance standards. Supervisors will monitor:

- **Task Completion:** Timely completion of tasks and projects.
- **Communication:** Regular communication with supervisors and team members to provide updates and receive feedback.
- **Productivity:** Maintenance of productivity levels comparable to on-site work.

To ensure effective communication and collaboration:

- **Meetings:** Employees must attend virtual meetings as required using district-approved platforms.
- **Reporting:** Regular progress reports must be submitted to supervisors as requested.
- **Availability:** Employees should be accessible through email, phone, and other communication tools during work hours.

The remote work arrangement will be evaluated periodically to assess its effectiveness. Adjustments may be made based on:

- **Performance Reviews:** Employee performance and productivity metrics.
- **Feedback:** Input from employees and supervisors regarding the remote work experience.
- **Operational Needs:** The district's operational requirements and any changes in work demands.

Employees must comply with all district policies and procedures while working remotely. Failure to adhere to the remote work policy may result in revocation of remote work privileges and other disciplinary actions.

GRIEVANCE PROCEDURE

Definition: A grievance is a claim by a classified employee of an alleged violation, misinterpretation, or misapplication of one of the terms on conditions of employment as stated in this classified employee handbook or as contained in the written Board Policy.

Purpose: Good employee morale is maintained if, as problems arise, a sincere effort is made by all persons concerned to work toward constructive solutions in an atmosphere of courtesy and

cooperation. Classified employees should be aware that proper channels are open for them to find equitable solutions to just grievances.

PROCEDURE:

Level 1 - Within 12 calendar days from the time that the grievant knew or reasonably should have known of the grievance, a classified employee with an alleged claim shall first discuss it with his or her immediate supervisor with the objective of resolving the matter informally. Within five calendar days after hearing the grievance, the immediate supervisor shall orally answer the grievant.

Level 2 - In the event that the aggrieved person is not satisfied with the disposition of his or her claim at the previous level or in the event no decision has been made within the five calendar days after presentation of the informal claim, he or she may file a formal grievance in writing on the form provided by the superintendent's office. The formal written grievance must contain the name of the grievant, state the facts giving rise to the grievance, identify the specific provisions of the classified employee handbook or Board Policy alleged to be violated, state the position of the grievant with respect to the grievance, and indicate the specific relief sought. The grievance form must be signed by the grievant.

One copy of the formal grievance will be sent to the immediate supervisor within five calendar days after receipt of the oral answer or, if no oral answer was received, within ten calendar days after the meeting for presentation of the informal claim. Within seven calendar days from the receipt of the written grievance by the immediate supervisor, he or she shall meet with the aggrieved person in an effort to resolve the grievance. The superintendent or his/her designee shall also be present at the aforementioned meeting. Within seven calendar days after the formal hearing, the immediate supervisor shall respond in writing to the aggrieved person with his or her answer.

Unless the grievance involves the termination of the employee's Employment Agreement, the action at Level 2 shall be deemed final. If the grievance involves the termination of an Employment Agreement, the employee may continue to Level 3.

Level 3 - Within ten calendar days after receiving the written decision of the immediate supervisor and counter-signed by the superintendent or his/her designee, an appeal from the decision may be made to the Board of School Trustees. The Board shall hold a hearing in executive session on the grievance and render its decision in writing to the grievant. The Board's decision is final.

OTHER CONSIDERATIONS:

1. The number of days indicated at each level should be considered as maximum. Efforts should be made to expedite the process. Time limits stated in this grievance procedure may be extended only by the mutual written agreement of the parties.
2. Any grievance not advanced from one level to the next within the stated time limits shall be deemed resolved by the answer at the previous level.
3. Nothing contained in this procedure shall deny to an employee his or her rights under state or federal constitutions and laws.

LEAVES

All new classified employees will be placed in a probationary employment period for thirty (30) workdays. During the probationary employment period, leave day benefits will not be in effect for the new classified employee. In specific situations, the Superintendent may waive or reduce the probationary employment period.

BEREAVEMENT LEAVE

Each classified employee shall be permitted to be absent from work for death in the immediate family for a period extending not more than five (5) work days beyond such death without loss of compensation. Immediate family means the employee's spouse, parent, child, brother, sister, father-in-law, mother-in-law, grandparent, grandchild, daughter-in-law, son-in-law or a person living in the same house as part of the family.

Each classified employee shall be permitted to be absent from work without loss of compensation for one (1) work day for attending bereavement services of any other member of the family.

The relationship of the relative should be recorded with the leave request when it is submitted for bereavement leave utilization. Bereavement leave days are non-accumulative.

FAMILY AND MEDICAL LEAVE - ACT OF 1993

A number of leaves allowed under this contract also qualify as leaves entitled to protection under the Family and Medical Leave Act (FMLA). All eligible employees will be entitled to the maximum leave allowed, when necessary, under the provisions of either the specific leave section listed above and/or this family leave section.

An unpaid leave of absence for up to twelve (12) weeks in duration may be granted to eligible employees for certain family or medical reasons. An employee who has been employed for at least twelve (12) months (need not be consecutive) before the leave request and who has worked at least 1,250 hours during the previous year is eligible for a leave of absence pursuant to this section.

A. Qualifying Events

1. A family or medical leave will be granted should the need arise for any of the following qualifying reasons:
 - a. Birth of the employee's child, or the placement of a child for adoption or foster care, and first-year care of the child.
 - b. To care for the employee's spouse, child, or parent who has a serious health condition.
 - c. For a serious health condition that causes the employee to be unable to perform his/her job.
2. Leaves may begin before the birth of a child if a medical condition exists that

makes the employee unable to perform the job, or prior to the placement of a child for adoption or foster care if circumstances require absence from work for the placement to proceed. An employee's entitlement to leave for the birth or placement of a child expires at the end of the twelve (12) month period beginning on the date of the birth or placement.

B. Notice Requirement

If the leave is foreseeable, thirty (30) days written notice is required. Failure to provide thirty (30) days notice for a foreseeable leave may cause the leave to be denied until thirty (30) days after the employee first gave the required notice of the foreseeable leave. If the need for the leave is not foreseeable, the employee must give notice to the office of the Superintendent as soon as possible.

C. Certification Requirement

Any request for leave due to a serious health condition or due to the serious health condition of a qualifying family member must be supported by a timely certification issued by a health care provider. The employee must provide the requested medical certification within fifteen (15) calendar days after the request was made. If the Superintendent has reason to doubt the validity of medical certification, the employee may be required to obtain a second opinion at school corporation expense. Should any variance between the two medical certifications exist, a third opinion, at school corporation expense, may be requested. This opinion shall be final and binding. Failure to submit the required medical certification may result in the denial of the leave or denial of basis. Medical certification shall be submitted on forms provided by the school corporation.

D. Request Procedure

Requests for leaves of absence and extensions must be submitted in writing and on the prescribed form supplied by the office of the Superintendent unless impossible due to an emergency.

E. Leave Substitution

Employees will substitute accrued vacation, personal leave, sick leave, or other qualifying leave for all or part of any otherwise unpaid FMLA. This qualifying paid leave will be counted as part of the employee's twelve (12) weeks of FMLA leave entitlement. However, the use of paid leave by the employee under circumstances which do not qualify as family medical leave cannot be counted against the twelve (12) weeks of FMLA leave to which the employee is entitled.

F. Maintenance of Group Insurance

During the FMLA, eligible employees will maintain coverage under the employee's

group health plan (including life insurance) at the same level and under the same conditions for which coverage would have been provided if the employee had continued in active employment continuously for the duration of such leave. Employees who contribute to such a group health plan must continue to make such contributions during the period of their leave in order to maintain coverage. The employer may recover the premium paid for maintaining an employee's health plan coverage during any period of unpaid leave if the employee fails to return to work for a reason other than the continuation, recurrence, or onset of a serious health condition that would entitle the employee to leave, or other circumstances beyond the employee's control.

G. Restoration to Position and Benefits

Eligible employees returning from family or medical leave within twelve (12) weeks will be returned to the position that they held when they went on leave, or they may be placed in equivalent positions with equivalent benefits, pay and other terms and conditions of employment

H. Return to Work

Employees returning from any form of leave of absence must be able to assume duties as assigned by the district upon their return. The district and returning employee will adhere to Board Policy - GBD (Return to Work) as applicable. As a condition to restoring an employee whose leave was based on the employee's own serious health condition, such employee must provide certification from the employee's health care provider stating that the employee is able to resume work.

I. Failure to Return from Leave

An employee granted a leave of absence pursuant to this provision who fails to return to work upon expiration of the leave granted shall be classified as "voluntarily terminated."

J. Intermittent or Reduced Schedule Leave

1. During the first twelve (12) weeks of leave for a serious health condition (either an employee's own or that of a qualifying member), intermittent or reduced schedule leave may be taken when medically necessary. Employees seeking intermittent or reduced schedule leave must provide medical certification issued by a health care provider. Employees who have requested foreseeable intermittent or reduced schedule leave due to planned medical treatment may be transferred temporarily to an available alternative position at the discretion of the Superintendent if the alternative position better accommodates recurring periods of leave than the employee's regular position, provided the employee is qualified for the alternative position and the position has equivalent pay and benefits. Classified staff are required to take leave in half (.5) day increments.

2. Employees requesting FMLA leave near the end of an academic term will be subject to special rules of the FMLA.

K. Leave Entitlement Period

The twelve (12) month period in which the twelve (12) weeks of family leave entitlement occurs will consist of the twelve (12) month period measured forward from the date the particular employee's FMLA leave begins.

L. Status Reports

During the leave, an employee may be required to provide periodic reports on his/her status and intent to return to work following leave. Requested information must be provided within fifteen (15) days of the request.

M. Jointly Employed Spouses

A total of twelve (12) weeks of FMLA leave will be granted to each jointly employed spouse regarding birth or adoption of a child or to care for a sick parent. If the FMLA leave request is for personal illness, each spouse will be entitled to twelve (12) weeks of FMLA leave.

HOLIDAYS

Ten official holidays observed in the Bluffton-Harrison Metropolitan School District are:

- Independence Day, July 4 plus one workday immediately preceding or following July 4th
- Labor Day, the first Monday in September
- Thanksgiving, the fourth Thursday in November and the following Friday
- Christmas Vacation, December 25 plus two other days during the published school Christmas vacation period
- New Year's Vacation, January 1
- Good Friday
- Memorial Day, the fourth Monday in May

If Presidents' Day and/or Martin Luther King Day is observed as an official school holiday or an approved instructional waiver day resulting in an in-person school activity, it will be considered a paid holiday.

If a holiday falls on Saturday, it will be observed on the preceding Friday. If a holiday falls on Sunday, it will be observed on the following Monday.

The aforementioned holidays are paid days for 12 month classified employees. Food service personnel receive paid holidays during the ten-month academic calendar, which is defined as the first teacher work day through the last teacher work day.

Regardless of flexible work hours elected by a 12 month employee, standard holiday pay for the July 4 holiday(s) will apply (eight hours per day), and flexible scheduling will not be available for the week of July 4. Work schedules will revert to a standard work week for the July 4 holiday.

Central office employees may carry-over two additional holidays until June 30 of the following year if end of year workload prevents the employee from expending granted holidays during the standard holiday break time. Arrangements for taking the carry-over holidays must be approved in advance by the superintendent or his/her designee.

JURY DUTY LEAVE

When requested, a classified employee may serve on jury duty. The Board of School Trustees will pay the employee his or her full salary provided that such employee agrees to return to the Board all pay received for serving on jury duty. This return payment does not include the expense payment, if any, that also may accompany such service.

Employees must provide jury duty documentation to the central office indicating jury duty assignment and dates of service.

Employees who are required to serve on jury duty should, whenever possible, report to work before and after their jury duty assignments.

PAID TIME OFF

Each classified employee shall be granted leave days as specified within this section. Leaves shall be requested in advance through the district approved leave management system, unless there is an emergency situation. In which case, the employee must contact their direct supervisor about their need to be absent from their role. In that case, the district approved leave management system must be completed upon the employee's return.

Throughout this handbook the word day(s) is used for classified employee; however for 12 month classified employees in the following classifications: Technology, Custodial, Maintenance, and Central Office work shall be provided paid leave time off in hour increments. For the purpose of paid time off for these specified classifications, the total number of hours per day assigned to the employee shall result in one (1) day equivalent of paid time off.

The table below converts paid time off from day increments to hour increments for the classifications: Technology, Custodial, Maintenance, and Central Office

	8 Hour Work Day	7.5 Hour Work Day

Any classified employee absence beyond the benefit days provided (e.g. loss of pay day) may result in disciplinary action up to and including termination of the classified employee.

STAFF ABSENCES FOR MEDICAL LEAVE

If circumstances warrant, the Board of School Trustees of the Bluffton-Harrison Metropolitan School District may grant a medical leave of absence without pay upon request of an employee of the school district. The following steps should be taken if an employee wishes to be considered for and be granted a medical leave:

1. A written request signed by the employee or his or her agent and directed to the Superintendent of Schools and the Board of School Trustees indicating the reason for the leave should be submitted no later than the week prior to the date for Board consideration.
2. Medical substantiation signed by a doctor shall be provided if requested by the Board.
3. The length of the medical leave shall be established in time intervals which will accommodate the overall educational program for the students in the school, that is, the remainder of a marking period, the remainder of a semester, or the like.
4. A medical leave may be extended for a specific period of time upon written request and positive action by the Board.
5. All decisions of the Board shall be considered final.

While an employee is on medical leave granted by the Board according to the aforementioned guidelines, the person will continue to be defined as an employee of the school district and will be eligible to participate in the various group insurance programs by individually paying the premiums due. However, no other employment benefits will be granted during the course of the unpaid leave (i.e., sick leave, personal leave, paid vacations, etc.).

VACATIONS

The district values the importance of work/life balance for all employees. Recognizing that personal time is essential for overall well-being and job satisfaction, we are dedicated to providing comprehensive benefits to support our employees in achieving this balance. This provision applies to Custodians, Maintenance, Technology, and Central Office personnel. We believe that these vacation days are crucial for every employee and are committed to fostering a work culture that prioritizes the holistic wellness of our staff.

Allocation of Vacation Days

Vacation time is allocated on a fiscal year basis (July 1 through June 30). A 12 month classified employee's hire date determines the vacation day allocations for the remaining fiscal year in which the employee was hired. The table below outlines the allocation of vacation days based on hire date:

Hired Between July 1 and October 31	10 days
Hired Between November 1 and March 31	5 days
Hired between April 1 and June 30	0 days

At the beginning of each fiscal year, all 12 month classified employees will receive vacation days regardless of hire date as outlined in the table below:

Completed Service Year	Vacation Days
Year 0-9	10 days
Year 10 - 19	15 days
Year 20	16 days
Year 21	17 days
Year 22	18 days
Year 23	19 days
Year 24+	20 days

Usage of Vacation Days

- Vacation days are available for use after an employee has completed 90 calendar days of employment.
- Vacation days may not be used in an increment of more than five (5) consecutive days without prior approval of the Superintendent.

- Twelve-month maintenance and custodial personnel may expend earned vacation days for the upcoming fiscal year beginning June 1 of the current year.
- Twelve month employees with any unused vacation days at the end of the current fiscal year (June 30) may be used within the first six (6) months of the upcoming fiscal year (July 1 through December 31).
- Any unused vacation days after December 31 from the previous fiscal year will expire and cannot be used.
- Vacation requests should be logged in the approved absence management system and will be approved by the building principal and central office personnel. Classified staff should also notify immediate supervisors of any vacation requests for scheduling purposes.

Approvers will take into account various factors, including but not limited to the employee's years of service, their work schedules, ongoing project timelines, departmental and/or building coverage needs, as well as any other relevant factors when evaluating a vacation request.

GROUP LIFE INSURANCE INCLUDING ACCIDENTAL DEATH AND DISMEMBERMENT (AD&D)

All classified employees may participate in the group life insurance program provided by the Board of School Trustees. A \$20,000 face value group life policy will be provided by the employer at a cost of \$1.00 to the employee. This plan contains a \$20,000 payment in case of death, a \$40,000 payment in case of accidental death, and certain dismemberment benefits. The anniversary date of the policy is January 1 of each year. An eligible classified employee may join the life insurance program by completing the proper enrollment forms upon employment, and the benefit goes into effect on the first of the month following the first work day as an employee of the school district. Additional Life Insurance is available to the employee by his or her paying a small additional premium. Information is available from the Treasurer of the Bluffton-Harrison M.S.D at 260-824-2620.

The school district through the School Employees Benefit Trust offers a health insurance plan for all classified employees.

*Classified employees hired prior to July 1, 2007, will retain PERF benefits held at that time so long as the employee remains in a PERF eligible position.

*Effective August 1, 2013, any employee who voluntarily transfers to a non-PERF benefit eligible position will no longer retain PERF benefits.

RETIREMENT PAY BENEFITS

To help express in a monetary way the community's appreciation for years of service to the school district at the time of a classified employee's retirement, a severance pay program was initiated on January 1, 1986.

To qualify for severance compensation, an employee:

1. Must be at least 55 years of age and have indicated in writing plans to retire from full-time employment.
2. Must have a minimum of ten (10) successive years of service to the school district immediately preceding the intended retirement date. Service time which was not accompanied by a written agreement with the Bluffton-Harrison Metropolitan School District shall not be considered a part of the service time. Neither shall employment for extracurricular activities qualify for retirement benefits.

An employee who meets the above criteria is eligible to receive retirement benefits computed as follows:

1. Definitions
 - a. A "work day" shall be considered an average of the hours worked per day based on employment agreements for the three years preceding retirement.
 - b. "Hourly rate" shall be the amount paid per hour on the employment agreement of the fiscal year immediately preceding retirement. Employees who retire at the end of the calendar year shall be paid at their current hourly rate.
 - c. "Years of service" shall be considered to a maximum of 30.
 - d. "Accumulated sick leave" shall be as defined in the section titled SICK LEAVE.
2. Computation
 - a. Using the definitions above, an eligible employee shall receive a retirement benefit computed by multiplying the "workday" times the "hourly rate" times the "years of service."
 - b. Eligible classified employees shall receive an additional amount of \$25.00 for each day of accumulative sick leave.
 - c. Twelve month classified personnel may have the option to receive a retirement payout on prorated vacation days earned for the current contract year. Any vacation days being carried over will need to be used before the individual's retirement date. The total prorated vacation days will be added to years of service and banked sick days all to be deposited into the individual's post-retirement 403(b) account. This does not apply to twelve month classified personnel who resign.

SEVERANCE PAY PROGRAM

Effective July 1, 2002, the Board will establish and maintain a qualified 401(a) Annuity Plan (hereinafter referred to as the “401(a) Plan”) for all classified employees covered under the provisions of this Classified Employee Handbook and eligible for PERF (Public Employees Retirement Fund). The maximum contribution that will be made to the 401(a) Plan by the Board will be 1.75% of the projected annual salary. The contribution will be deposited into the classified employee’s 401(a) account in installments over the ensuing year. All eligible employees will be 100% vested in the 401(a) Plan at the completion of ten years of service with the Bluffton-Harrison Metropolitan School District.

The 401(a) Plan replaces the current Retirement Pay Benefits section of the Classified Employees Handbook. However, the Retirement Pay Benefits section so described in section 1 (Definitions) and section 2 (Computation) will remain in effect until such time as the classified employee receives a greater benefit from the value of the 401(a) Plan than he or she would receive under the Retirement Pay Benefits section of the Classified Employees Handbook, except for employees described in the following paragraph. The value of the Board contributions and the appreciation, if any, of the 401(a) Plan will be counted as an offset to the amount that the classified employee would have received had he or she retired under the current Retirement Pay Benefits section. In the event, due to market fluctuation, a classified employee’s 401(a) Plan account experiences a loss, the Board’s responsibility during the period prior to the expiration of the Retirement Pay Benefits section will be the amount which the employee would have received under the Retirement Benefits section less the amount previously contributed by the Board under the 401(a) Plan.

For classified employees hired after July 1, 2001, the 401(a) Plan will replace the current Retirement Pay Benefits section. No provision of the Retirement Pay Benefits section will be available to employees hired after July 1, 2001. The severance benefits for such classified employees will be limited to the balance in the 401(a) Plan account at the time of separation of employment; amounts contributed to the 401(a) Plan by the Board and interest or appreciation, if any. Employees hired after July 1, 2001 will be vested in the 401(a) Plan at the completion of 10 years of service.

The 401(a) Plan will:

- a. Be subject to all applicable Internal Revenue regulations.
- b. Have no contract initiation fees charged to the employee.
- c. Have no administrative Plan Document charge to the Board.

The 401(a) Plan will be valued effective the last contracted day of employment for the separating employee. In addition, for those classified employees for whom payments are yet scheduled to be made under the Retirement Pay Benefits section, such payments will be made into a non-elective post-retirement 403(b) Plan (excluding the applicable amount currently allowed by the Indiana State Board of Accounts which will be paid as salary) created at retirement in the name of the retiring employee. Such payment by the Board will be made in one (1) payment on or before January 15th following the year of retirement.
