UPCOMING EVENTS

FIRST DAY OF SCHOOL:
August 26 for grades 1-6,
August 28 for kindergarten

Happy summer to our students! Our last day of school was so much fun with the unveiling of our first ever CES talent show! I was absolutely thrilled to see the number of students who took a responsible risk and showcased their skills in front of the entire school community! As I said this morning, "Cambridge has got talent" and I know that the networks will be approaching us soon about producing a new TV show! I would also like to thank Mrs. Cloutier, Ms. Graner, and Mrs. Pinault for also taking a responsible risk to try something new! All of their hard work certainly paid off and I can't wait until next year's show!

Information about next year will be sent home in August. The first day of school is August 26th!

Wishing everyone a relaxing and fun summer and dare I say it, with fewer raindrops than last year! I hope that our students take plenty of time to read and explore nature each and every day.

On behalf of our exceptional staff, school's out for summer!

In an effort to have enough time to create bus routes for next year, we are offering sign ups for transportation early this year. If you already know what your child's transportation will be for next school year, please fill out the following google form. [24/25 Transportation Form](#)

Please fill this form out, even if you do not anticipate needing the school bus. This information will be entered over summer break into the Pickup Patrol app to make sure children have plans for next school year. Kelly will be sending out the form again in July.

**DID YOU FORGET TO ORDER

New Friendly Pirate Song on YouTube! Everyone On Board (for Gani) is a song about inclusion and recognizes things we have in common. It was inspired by Gani from Kazakhstan, who worked at Smugglers' Notch Resort in 2008. The video features photos of Friendly Pirate friends and acquaintances (you may know a few). The song is now on YouTube and will be available elsewhere on 6/12/24. The album Everyone On Board (featuring Gimme Back My Binky, Ski Shanty, I Know You Pirates, etc) will be available on Summer Solstice - 6/20/24 .
