OUT OF DISTRICT OPTIONS

OUR MISSION: To ensure student achievement through excellence in teaching and learning.

ATTENDANCE

Successful grades are directly related to good attendance. Regulations relative to attendance and tardiness are stated below. Since there are a limited number of class meetings, it is extremely important that a student attend every possible class. Absences should be kept to a minimum and only in cases of emergency.

The following attendance policy will be strictly adhered to:

- A student must attend a minimum of 10 classes in the semester, in order to receive credit for the course. If a student misses more than 2 classes, regardless of the reason, they will be dropped from the course.
- Attendance will be taken at the scheduled start time of the class. Students are expected to be in their assigned classroom at the scheduled start time. If a student comes in after the scheduled start time, they will be marked tardy.
  - » If a student enters the classroom 10 minutes or less after the start of the class, they will be marked tardy. 3 tardies of 10 minute or less will equal 1 absence form class.
  - » If a student enters the classroom more than 10 minutes after the start of the class, they will be considered absent from the class.
