

## Eau Claire Area School District Nursing Services

Dear Parent/Guardian/Family Member,

We would like to extend a welcome to middle school to you and your child from the Eau Claire Area School District and inform you of an immunization requirement for sixth graders.

Wisconsin State Law requires that all immunizations be up-to-date within **30 days** of entering the school system. New students will be asked to complete the immunization card at registration; all others are requested to notify the school when your child receives additional immunizations. Please take the opportunity to take care of this prior to the start of school.

### **Immunization Requirement for incoming 6<sup>th</sup> graders:**

- **Tdap**

Waivers for personal, religious or health reasons remain an option for parents.

If you have any questions please contact your school nurse.

Sincerely,

Eau Claire Area School District Nurses
