Physician Order for Diet Modification Instructions

This form should be completed for all children requiring diet and/or feeding modification. Parents should be encouraged to complete this form even if it is not anticipated that the child will eat school breakfast or lunch. Indications for use include:

- Food allergies.
- 2. Diet modification requirements due to health conditions.
- 3. Requirements for food alteration, e.g., texture modification, fluid requirements, or tube feedings.

Parent/Guardian Responsibilities

- 1. Notify school of the specialized diet needs of the child.
- 2. Complete the top of Physician Order for Diet Modification form and sign.
- 3. Deliver the completed physician orders with physician signature to the school principal.
- 4. Written instructions must be obtained from the physician and delivered to the school each time there is a change in diet modification.
- 5. Notify the school, in writing, if the diet modification is discontinued during the school year.

School Responsibilities

- 1. Provide the parent/guardian with the Physician Order for Diet Modification form for any child needing diet modifications.
- 2. Promptly notify school nurse of child's dietary needs.
- 3. Distribute the copies of the form; original to pupil record, copy to Director of the Food and Nutrition Program, copy to school nutrition staff, copy to school nurse.
- 4. Add information to the school health data base and pupil record.

School Nurse Responsibilities

- 1. Provide information to school staff related to the diet modifications or disease as needed.
- 2. Assist with problem-solving for cases as needed.

Food/Nutrition Responsibilities

1. Provide dietary modifications according to the physician's orders
