At the end of the ceremony, please stay seated to allow the administration, faculty and graduates to exit the field first.

The graduates will go to their house for diploma distribution immediately following the ceremony.

Invited guests, please exit the field and proceed to your pre-determined meeting spot to find your graduate. The school will be closed to guests.

The last shuttle bus leaves the high school 45 minutes after the ceremony.

In case of emergency, the two exits off of the field are the driveway up to the Post Road and the main entrance by the ticket booth.
