

Saint Joseph's Chapel

We are filled with gratitude to the Sisters of St. Joseph of Carondelet for the gift of St. Joseph's Academy, and especially St. Joseph's Chapel. In this sacred space, we encounter a God of the deepest love and discover our call to imitate St. Joseph through a spirituality of right relationship with God, others, and creation. We at St. Joseph's Academy proudly continue your legacy as we strive to be a community that embodies your charism of unifying love and service to the Dear Neighbor without distinction.
