

Hello Everyone and welcome to AP World History Modern: 1200 to Present. To better prepare you for the exam in May, I would like us to get a head start on the material. This summer you will be working on Unit 0. This will give you a strong foundation for the upcoming course material.

**There are 4 parts to this assignment:**

Part 1: After watching the two videos, complete the corresponding worksheet.

Part 2: Map exercises

Part 3: Read the description of Spice-T and complete two activities

Part 4: Read the Amsco Prologue: History before 1200 C.E. (PDF provided) and then complete the World Religions Card Sort activity. You should watch the two videos from Part one before completing this assignment.

All work can be found in our AP World Google Classroom. The class code to join is **p62awuz**
