HIGHLIGHTS OF THE WEEK

2nd Grade Music Informances

Our 2nd Grade students proudly showed off their many musical talents during Tuesday night's musical informances. They skillfully demonstrated aurally identifying musical patterns within a song, performing tonal patterns on an instrument while reading the notation on a staff, chanting rhythmic patterns, creating new rhythmic patterns and performing patriotic songs in a choral setting. We couldn't be prouder of our young musicians and look forward to watching them perform again in our Leadership Day ceremony.

Camp Read-A-Lot

DPS families enjoyed a fun camp themed evening at DPS on Thursday! Activities for children included boondoggle, crowns, Bingo, constellations, a story book walk, creating binoculars, lanterns, a camp themed photo-op, and listening to read alouds!

4PK End of Year Celebration

Our 4PK students deserved a big celebration after a full year of playing, learning, and growing! They ended the year "in style" as they dressed up in their future occupation gear and sang songs for their family. Their futures sure are bright!

Miniature Golf

A huge thank you to Mr. Wampole for his collaboration with Mr. Conklin. They provided our DPS students with a miniature golf course in the gym. What a great experience!

Summer Electronic Benefits Transfer

Summer EBT is a new program that provides low-income families with food benefits to help cover the cost of groceries when school is out of session. Summer is the time when many children lose access to free meals they get at school. Most eligible children will receive Summer EBT food benefits automatically; however, some families may need to apply.

Enrollment

Many families will get Summer EBT automatically if they are getting other benefits, but some families may need to apply.

- **Automatically enrolled:** If the child participated in SNAP, TA, FDPIR, Medicaid* or was reported to a Regional Information Center as eligible for free/reduced-price meals by their school anytime in the 2023-24 school year, they will be automatically enrolled in the Summer EBT program. These families do not need to fill out a separate Summer EBT application. NYS estimates that 85% of children who are eligible for Summer EBT will be automatically enrolled.
- **Application needed:** If the child has not been reported by their school or district of enrollment to the NYS Education Department as eligible for free/reduced-price meals by their school but is income eligible and attends an NSLP participating school, they can get Summer EBT by filling out a simple online application with OTDA.

Click the button below for information and note the website will update as more information becomes available.
