DPS Principal Newsletter

No School Friday, May 24th

Due to having no snow days this school year, the Board of Education amended the school calendar to include a give back day for students and staff on Friday, May 24th. Please be sure to mark this on your family calendar!

Sneakers

Please remember that it is best for children to wear sneakers and socks to school each day so that they are ready to run and play in PE class as well as out on the playground.

HIGHLIGHTS OF THE WEEK

Morning Meeting

This morning the Student Lighthouse led our last student only morning meeting of the year because in June we'll have our families/adult special guests joining us. During our meeting, we celebrated leadership in each special area class, Mr. Kranz made a guest appearance to lead us in song, and we announced the Habit 8 leaders (Find Your Voice & Inspire Others to Find Theirs) from each classroom. Habit 8 students can identify their strengths, pursue their passions, and look for ways to help others and make the world a better place.

!2nd Grade Highlight

Mrs. Doggett's second graders have sprouted green thumbs! They've been working hard to get the raised beds ready to plant, and with the help of some gardening grandparents, they recently planted peas, lettuce, spinach, and radishes. Before the Event What and When to Eat

What and when you eat before competition can influence how you perform. It is also a highly individualized decision based on previous experience, physical comfort and emotional or mental considerations. In general, you should maintain a high complex carbohydrate, low-fat diet throughout the training period. Then, chose a pre-competition meal that works well for you. Include complete carbohydrates and fluids, and limit fat. Eat 2 to 4 hours prior to the event and eat familiar, carbohydrate-rich foods to avoid intestinal distress. Drink ample amounts of water, milk or juice with the meal. Substitute frequent carbohydrate-rich snacks and fluids for full meals if it makes you more comfortable. (Avoid caloric drinks up to 45 minutes before the event but do drink plenty of water).
