

Summer Reading Expectations Summer 2024

Advanced Language Arts Grade 6

As an incoming sixth grader, you are required to read a book this summer for your Sixth Grade Advanced Language Arts class. Read a fiction or nonfiction book in your reading level then complete a book talk slideshow about the book. This is a mandatory requirement for entering Advanced Language Arts.

While reading your book, write down key details to help complete the slideshow. A copy of the slideshow is provided on the Bergenfield District website under “Summer Assignments.” Be sure to upload a copy for your use and only complete one slideshow for either fiction or nonfiction. During the first week of school you will be asked to submit your work on your Language Arts Google Classroom.
