STANDARDS OF PROFICIENCY**

The Governing Board desires to prepare all students to successfully complete the high school course of study and obtain a diploma that represents their educational achievement and increases their opportunities for postsecondary education and employment.

District students shall complete graduation course requirements as specified in Education Code 51225.3. Unless exempted as provided in "Exemptions from District-Adopted Graduation Requirements," district students shall also complete other course requirements adopted by the Board. Students who are exempted from district-adopted graduation requirements shall be eligible to participate in any graduation ceremony and school activity related to graduation in which other students are eligible to participate.

Graduation Requirements from Tracy's Comprehensive High Schools

A student must complete 220 credits and will normally carry a minimum of thirty credits each semester while in school. Passing the California High School Exit Exam is required for graduation. Students must complete the total number of credits in each of the areas listed below:

English	40 credits
Social Studies	30 credits
Science	30 credits
Math	20 credits

All students must take and pass at least two years of math while enrolled in high school and one of the two classes must be Algebra I. This requirement may be completed prior to grade 9. Education Code 51224.5 clarifies that completion of algebra coursework prior to grade 9 may satisfy the algebra coursework requirement but does not exempt a student from the requirement to take at least two years of mathematics in grades 9-12.

Successful completion of an approved computer science course that is classified as a "category C" course based on the University of California (UC) and California State University (CSU) "A-G" admission requirements shall be counted toward the satisfaction of additional graduation requirements in mathematics. (Education Code 51225.3, 51225.35)

**HIGH SCHOOL GRADUATION REQUIREMENTS/
STANDARDS OF PROFICIENCY**

Foreign exchange students may receive honorary diplomas pursuant to Education Code 51225.5.

Students shall not be required to have resided within the District for any minimum length of time as a condition of high school graduation (Ed Code 51411)

The Golden State Seal Merit Diploma shall be issued to eligible students who meet the criteria as set forth by the State Board of Education.

Exemptions from District-Adopted Graduation Requirements

In addition, a foster youth, student experiencing homelessness, former juvenile court school student, child of a military family, or migrant student who transfers into the district or between district schools any time after completing the second year of high school, or a newly arrived immigrant student who is in the third or fourth year of high school and is participating in a newcomer program, shall be exempted from any graduation requirements adopted by the Board that are in addition to statewide course requirements. This exemption shall not apply if the Superintendent or designee makes a finding that the student is reasonably able to complete the additional requirements in time to graduate by the end of the fourth year of high school.

Within 30 days of the transfer into a school by a foster youth, student experiencing homelessness, former juvenile court school student, child of a military family, migrant student, or a newly arrived immigrant student, or of the commencement of participation in a newcomer program, as applicable, the Superintendent or designee shall notify any eligible student, and others as required by law, of the availability of the exemption from local graduation requirements and whether the student qualifies for it. (Education Code 51225.1)

The Superintendent or designee shall not require or request a foster youth, student experiencing homelessness, former juvenile court school student, child of a military family, migrant student, or a newly arrived immigrant student participating in a newcomer program who is exempted from district-established graduation requirements and who completes the statewide coursework requirements before the end of the fourth year of high school, and would otherwise be entitled to remain in school, to graduate before the end of the student's fourth year of high school. (Education Code 51225.1)

If a foster youth, student experiencing homelessness, former juvenile court school student, child of a military family, migrant student, or a newly arrived immigrant student participating in a newcomer program was not properly notified of an exemption, declined the exemption, or was not previously exempted, the student or the person holding the right to make educational decisions for the student may request the exemption and the Superintendent or designee shall exempt the student within 30 days of the request. Any such student who at one time qualified for the exemption may request the exemption even if the student is no longer eligible. (Education Code 51225.1)
