

Welcome to Our School Family

Dear Parents/Guardians,

Welcome to a great year at Liberty Early Childhood Center! We will now “continue” your child’s career as a lifelong learner. I use the word “continue” because your child has already been learning so much from you, as parents/guardians, in his/her short lifetime so far. The time I spend with your child will be very meaningful for him/her, but it will be a very small amount of time in comparison to the time you have with your child. So...I look forward to having a great partnership with you and your child. Preschool is an important milestone for you and your little one. I hope the background information provided below with help to ease with your child’s transition to school.

Each evening, I go home to my supportive husband, Scott, and my two boys, Xavier and Calvin. Xavier is 20 and just finished his sophomore year of college at Metropolitan Community Colleges. Calvin is a busy 14 year old and is active in Tae Kwon Do, Archery and Horseback Riding.
