This document provides information related to the food products that are served by Weld County School District 6 (WCSD6) Nutrition Services in regards to them being ‘peanut cautious’ rather than ‘peanut free’.

A number of WCSD6 locations have elected to be designated as ‘peanut-cautious’. At these sites, peanut-containing menu items—provided by Nutrition Services—are replaced with non-peanut/tree nut containing alternatives.

It is important to note that the WCSD6 Nutrition Services Department works with a variety of vendors and manufacturers to provide a wide variety of nutritious food items for our customers. Many of these vendors/manufacturers are not able to provide documentation stating that their facilities are 100% peanut/tree nut free. This is due to the fact that they may produce certain items containing peanuts/tree nuts in their facilities.

This being said, the products that are served at ‘peanut cautious’ sites are peanut/tree nut free. However, that does not guarantee that they were produced in a facility that is 100% peanut/tree nut free.

If there are any questions or concerns related to this subject, please contact the Nutrition Services Department at 970-348-6600.

Thank You-

Weld County School District 6 Nutrition Services
