

Chromebook Tips

*The full student user agreement can be found under Departments→Business Services→Information Technology on the NMUSD website.

Bring your chromebook to school fully charged everyday, starting on the first day back from summer break.

Carry the chromebook with two hands and treat gently.

Only use the school issued chromebook for schoolwork and stay on approved websites.

Keep food, drinks, pets, and young children away from the chromebook.

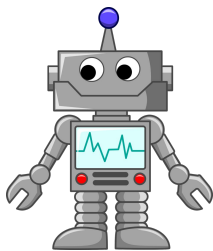

Don't access any websites without teacher permission or download anything unless directed to by a teacher.

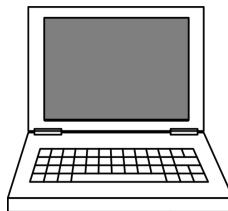

Don't put more than 3 stickers on as the residue is hard to clean.

Don't lend your chromebook or charger to anyone else.

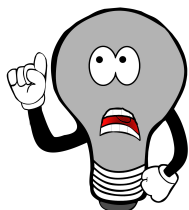

Keep your chromebook off the floor and don't pile things on top of it.

Be careful with your personal information. Keep your name and passwords private.

If there is a problem with your chromebook, tell an adult.

Use the chromebook in a school appropriate manner.

If you are leaving the district, be sure to turn your chromebook in.
