In Spanish 3 pre-AP, we will build on what you have already learned; we will learn new verb tenses and improve your skills in reading comprehension, writing skills, speaking ability, and listening comprehension. In addition, we will enhance your understanding of the Hispanic world.

Your goal is to read, write, speak, and listen to as much Spanish as possible this summer to help you prepare for Spanish 3 pre-AP. There are many ways to creatively immerse oneself in the Spanish language through music, television, and Duolingo. **The following assignments are due by September 9, 2024.**

Your assignments:

1. Listening –

You are expected to watch or listen to a minimum of **10 minutes** of Spanish every day for at least 30 days during the summer.

You can watch videos or movies set to the Spanish language or listen to Podcasts. Just make sure that whatever you choose is set to Spanish audio. You may use English subtitles when watching the show. Attached are some websites.

You will be expected to fill out and turn in the attached form listening journal entries.

2. Reading –

You will need to read 4 articles from www.bbcmundo.com. They will each need to come from a different category tab, i.e. International, América Latina, Salud, Ciencia, Cultura, Deportes, etc. **(This will be difficult but beneficial, as you are only expected to get the gist of the articles.)**

You will be expected to fill out and turn in the attached form with your 4 article extracts.

I look forward to working with you next year. If you have any questions or concerns, please feel free to contact me over the summer. ¡Qué tengas un buen verano y buena suerte!

Signatures:

This is my original work. I watched the shows and wrote the commentary on the show without the use of an online translator. In addition, I read the articles in Spanish without the use of a translator; I only used 'wordreference' to check specific words not full sentences. I also answered the all questions on my own without using the translator option.
