

SEISD Will Provide School Supplies To Students

A Proud Community of Champions – Soaring to Excellence
People Passion Purpose

San Elizario Independent School District will be providing **free** basic school supplies to every enrolled student.

Supplies will be distributed to students at their campus.

The pandemic has caused our families with financial strains and San Elizario Independent School District is on a mission to ensure everyone of our CHAMPIONS has the appropriate tools and supplies needed to soar.

Thank you to all campus principals, board of trustees and Superintendent Dr. Meza-Chavez for making this happen.

Please use the list below to help you identify what your **CHAMPION** student will be receiving. These lists of supplies were produced by campus instructional leadership teams and teachers.
