

Tamalpais High School

From the Principal's Perch

This song is stuck in my head, so I am writing the lyrics here. "It's the most wonderful time of the year." This has been a December to remember here at Tam. We unfortunately started the month with a bomb scare, but have since recovered to finish the semester strong. Students enjoyed a winter spirit week with great themed days, and showcased their musical and vocal talents throughout the community. The commitment to academics was demonstrated through their study habits and giving their best effort on final exams, projects, and presentations. I want commend everyone for an excellent job by all balancing the many activities, strong academics, and great character. Our collective values and Tam-Unity were on great display this month.

I am overwhelmed by the kindness and generosity of this community. From your support of students and families through the Tam Fam gift drive, the gifts and events that show appreciation to staff, culminating with PTSA sponsored pancake breakfast that we enjoyed this morning. Today's breakfast was a great way to finish finals week. We thank each of you who contributed financially, emotionally, or through volunteerism. We cannot express enough gratitude for the support you provide to our students and staff. Finally, I want to take this opportunity to wish you all the Happiest of Holidays and looking forward to continuing to work with you all in a prosperous New Year!
