

Tamalpais High School

From the Principal's Perch

We are approximately six weeks until the end of the school year and I am writing to encourage both students and parents, to finish the school year strong. During each previous newsletter, I have stressed the importance of positive attendance, and in this newsletter, I want to reinforce it. I long for the day when all of our students are present and on time to class. I have had many conversations with Juniors and Seniors about being a student in good standing. It is important to note that participation in extra-curricular activities are reserved for students that follow all rules, maintain good grades, and exhibit appropriate behaviors. Getting an education is a civil right; participating in activities is a privilege. Parents and students should know the difference. I fully expect that our students will rise to the expectations and that we will enjoy the end of the school year together.

The last few years have been challenging for all educators throughout the system and excruciatingly challenging for teachers. Faced with challenging conditions, teachers have prioritized the needs of their students, supporting students' socio-emotional health, adjusting their curriculum, and consistently adapting to new protocols and procedures. This week we ask that you join us in celebrating all the teachers in our lives. Below we have the schedule for Teacher appreciation week but we ask that you all participate in activity number one.

Keep Tam Clean

The Campus Cleanup Coalition is looking for new members from any grade who are looking to improve Tam high. We are a student group that does frequent school cleanups to keep the campus beautiful. We usually like to get out and work from 10-12 a.m. on Sunday mornings, and we provide service hours for all the time that you spend at our cleanups. Campus Cleanup is a great opportunity for all students to get involved in and help the Tam community, show their school pride, and help create a school environment that is conducive to learning and happiness. The best ways to get involved would be to email joseph.patti@student.tamdistrict.org or join our Remind. The Remind code is tamccc2022. We welcome all Tam community members and cannot wait to see you at a future cleanup!

What's Up With Wellness?

Affirmative Consent: What Parents & Caregivers Need to Know

Join TUHSD Wellness on Tuesday, May 3, 2022 from 7-8pm in virtual community (Zoom link below) and learn how to help your student(s) successfully navigate the landscape of sexual communication and consent by taking part in a workshop on the topic of Affirmative Consent. TUHSD Wellness will help educate parents/caregivers about the landscape and laws affecting our students and how TUHSD Wellness and staff is approaching this topic within our classrooms and community. Attendees will walk away with tools and resources to begin and/or continue conversations about Affirmative Consent with their teen. Please note that the format of this workshop on Zoom will be interactive and include an open dialogue about sensitive issues.
