Handbook

Attendance

Alabama law requires that all children between the ages of ⁽³⁾ six and ⁽²⁾ seventeen be enrolled in and attend school. In addition, new state law amendments (Ala. code s. 16-28-16, as amended by Act 1999-705) provide that all children who choose to enroll in school even if not of compulsory school age, are subject to the school attendance and truancy laws of the state. All students should attend school regularly and be punctual for all classes in order to receive the greatest benefit from the instructional program and develop habits of punctuality, self-discipline, and individual responsibility. There is a direct relationship between poor attendance and class failure. Students who have good attendance generally achieve higher grades and enjoy school more. Students who miss more than 15 total days in a school year are in danger of becoming "chronically absent" as defined by the state and are at a higher risk of negative school outcomes. Students who miss as little as two days each month miss an entire year of instruction over their K-12 school span. This can have a detrimental effect on achievement and future success. Attendance at school shall be one of the factors considered in determining the promotion of a student from one grade to another or in any given course.

Parents and guardians are responsible for enrolling their children in school and ensuring that the children attend school and obey behavior policies adopted by the Board. Parents failing to enroll students and ensuring their attendance and proper behavior are subject to fines and imprisonment under state law. State law also requires that all student suspensions from school must be reported to the local district attorney.

Principals must report to the local superintendent any parent, guardian, or other person having control or custody of a child who fails to require the child to attend school or receive instruction by a private tutor, or fails to properly conduct him/herself at school. The Superintendent or designee is required to report the violators to the district attorney within 10 days.

- A. Compulsory Attendance – Every child between the ages of six (6) and seventeen (17) must attend a public school, private school, church school, or be instructed by a competent private tutor for the entire length of the school term except that every child attending a church school is exempt from the requirements of the *Code of Alabama* (1975) 16-28-3;16-28-5, provided such child complies with the enrollment and reporting procedure specified in the *Code of Alabama* (1975) 16-28-7 of the code. It is the policy of the Blount County Board of Education that children enrolled in a private school, church school, or instructed by a private tutor must provide appropriate documentation to the Superintendent within 10 days after the beginning of school or upon withdrawal from school or upon residency in Blount County.

B. Absences and Excuses – Every parent, guardian, or other person having control or charge of any child required to attend public school, private school, or church school, shall as soon as practical explain the cause of any absence of the child under his control or charge which was without permission of the teacher. Failure to furnish such explanation shall be admissible as evidence of such child being a truant with the consent and connivance of the person in control or charge of the child, unless such person can show to the reasonable satisfaction of the court that he had no knowledge of such absence and that he had been diligent in his efforts to secure the attendance of such child. *Code of Alabama* (1975) 16-28-15

A good cause or valid excuse, as used in this section, exists when on account of sickness or other condition attendance was impossible or entirely inadvisable or impracticable or when, by virtue of the extraordinary circumstances, the absence is generally recognized as excusable. *Code of Alabama* (1975) 16-28-13

Students are not permitted to be absent from school without a valid excuse. Absences will be designated as excused or unexcused. Excused absences will be permitted for the following reasons:

- Personal illness
- Hospitalization
- Emergency conditions as determined by the principal
- Death in immediate family
- Court subpoena
- Legal quarantine
- Absences approved by the principal prior approval (including military leave of parent or guardian)

Documentation supporting an excused absence must be submitted within **three (3) days** after the student returns to school or the absence will be deemed to be unexcused. Excessive unexcused absences may result in a loss of academic credit or referral of the matter to juvenile or other appropriate legal authorities for investigation.

Only seven (7) days or partial days can be excused by parent/doctor notes each semester as a valid excused absence.

Any absence over seven in a semester will be marked unexcused in the attendance register. If a student has significant medical diagnosis, parents can submit a Medical Condition Release Form and a physician's letter to the school documenting the medical condition and the necessity of additional absence days. Letters and release forms must be resubmitted each school year.

Homebound services may be provided for qualified students as determined by the Board of Education.

Excessive unexcused absences may result in a loss of academic credit or referral of the matter to juvenile or other appropriate legal authorities for investigation.

C. **Make-up Work – Excused Absences**

If a student is absent for any excused reason as defined above, the student shall be allowed to make up school work missed during said absence or absences. The student shall be responsible for contacting the teacher or teachers to arrange for make-up work. Said student shall contact the teacher or teachers to make up work within three (3) days after returning from said absence.

D. **Make-up Work – Unexcused Absences**

Teachers shall not provide make-up work or examinations for students absent for unexcused reasons.

E. **Academic Incentives – for exceptional attendance**

Students may be exempt from semester exams if they have (a) an 85+ average and one absence or less, or (b) a 90+ average in the class with three absences or less.

F. **Academic Sanctions – for excessive unexcused class absences**

Students who exceed **eight (8) absences** in a semester or **sixteen (16) total absences** in a school year will lose course credit and/or be retained.

G. **Truancy Reporting**

Truancy Definition

A parent, guardian, or other person having charge of any child officially enrolled in Alabama public schools (K-12) shall explain in writing the cause of any and every absence of the child no later than three (3) school days following return to school. A failure to furnish such explanation shall be evidence of the child being truant each day he is absent. Seven (7) unexcused absences within a school year constitute a student being truant for the purpose of filing a petition with the Court.

All children enrolled in Blount County Schools, whether compulsory school age or not, are subject to school attendance and truancy laws of the State of Alabama. All cases of non-enrollment or non-attendance will be investigated by the Blount County Board of Education Attendance Officer. In cases where there is no valid reason for absence, the attendance officer will give written notice to the parent, guardian, or other person having control of the child to require attendance of the child within three days of the date of the notice. If the absence is found to be without valid excuse or reason and intentional, the attendance officer shall be required to bring criminal prosecution against the parent, guardian, or other person having control of the child.

 - Failure to appear at the Early Warning Truancy Prevention program can result in the filing of a complaint/petition against the parent under *Code of Alabama*. (1975), 16-28-12(c) (failure to cooperate), or a truancy against the child, whichever is appropriate.
 - 5) **7th Unexcused Absence**

Because of bus overcrowding and medication plans, students must ride their normal bus home and will not be allowed to ride the bus home with a friend. The principal/assistant principal is authorized to suspend the rights and privileges of transportation to any student due to misconduct or misbehavior. Students not riding the bus must be dropped off and picked up at the front of Blountsville Elementary School. Students are not allowed to stay after school with older siblings who attend the high school.

Conferences

Parents wishing to talk to an administrator or teacher should telephone 205-775-1990 for an appointment. All conferences must be during the teachers planning period. We will not interrupt classroom instruction.

Deliveries

Students are prohibited from receiving flowers, balloons, candy, or gifts during school hours.

Discipline

The discipline of highest educational value is self-discipline. We encourage students to use self-discipline in all that they do. We believe that every student has the right to learn, and we work hard to ensure a positive learning environment. We are proud of our students. They are well mannered and respectful. When a student uses poor behavior judgment, the school and classroom management plans will be followed. The corporal punishment procedure of the Blount County Board of Education will be followed. BES may implement an after-school or early morning detention as a means of discipline. Students may also be assigned to in-school suspension, Saturday School, Out of School Suspension, and/or Alternative School for misbehavior.

Emergency School Closing

When school is dismissed early because of weather or for any other unexpected reason, we will follow the child's usual afternoon procedure.

Library

If a library book is lost or damaged, it will need to be paid for before the end of the school year. Students will not be able to check out library books at the beginning of the next year until their debt is cleared.

If a student is unable to find his/her book, he/she will be given one month from when it was due to locate it. If the book has not been found, then it is the responsibility of the parents or guardians to pay for the book. This also includes damaged library books. If a parent pays for the book and then finds it later in the year or the next school year, the library book becomes property of the student. The school will not reimburse the parent for any money for the library book.

Lost and Found

A "lost and found" is located in the gym. Students should check periodically for misplaced articles. Students should write their names in all workbooks, textbooks, and notebooks. It is also recommended that all personal property items be labeled. Items not claimed will be discarded or given away after a reasonable length of time.
