

Parents/Guardians and "New" Blue Devils,

Welcome to Henry Clay High School! We are so excited to meet you!

I hope you are planning to attend our 9th Grade Student Transition Week from Tuesday, July 30 through Thursday August 1st, 2024 from 8:30 am to 12:30 pm. Please read the following information thoroughly.

Hopefully, you received an email with a sign up link. If not, please visit the HCHS webpage to register. It is not too late! Please use the link provided below for transportation, but if you want to utilize the city bus, the public library is providing student success cards that allow for free Lextran rides. You can obtain one at any public library. Also, if there are other new 9th grade Henry Clay students in your neighborhood that you are aware of, they may have registered for transportation and you are welcome to join them at their scheduled bus stop.

If you did register for transportation, you will be receiving an email about your bus stop for Transition week late in the week of July 22. Be on the lookout for that information.

During our Transition week, we will host a variety of activities and sessions designed to make your transition to high school as smooth as possible. New Devils, we are looking forward to helping you begin your journey, and we are honored to share this adventure with you.

Students may choose to come to any or all days of transition week. We hope students can join us as often as possible since valuable information will be shared daily and no 2 days are the same. It is a

great opportunity to become more familiar with the staff, with the building, with the activities we offer for you to get involved with, and to meet your fellow classmates and upperclassmen at Henry Clay. Students who are arriving by car should plan on arriving no later than 8:30. Entrance will be from the back of the building (the bus loading zone between the building and the football stadium). Students arriving by car will be dropped off in the back with the buses. **However, at the end of each day, car riders will be picked up in front of the building at 12:30 pm each day.** Breakfast and lunch will be provided for all students.

We will be distributing students schedules for the 2024-2025 school year on the last day of Transition Week, Thursday, August 1st in order to give our counselors adequate time to enroll all new students.

We look forward to seeing our newest Blue Devils! We have a fun week planned that will be the jumpstart to a successful school year!

In addition please be on the lookout for a “New Parent” evening. As soon as the date for that event is set we will communicate that through our website and email. Thanks!

Myself and the rest of the staff are so excited to welcome you all into the Blue Devil family!
