

October 2020

Dear Sam Davey Families:

As we are heading into Fall, we wanted to remind families of what our cold weather expectations are for students. Students will go outside for recess everyday unless it is raining, or the temperature is dangerously cold. School staff will make the decision based on the district guidelines of when the temperature is below zero degrees or -10 wind chill. This is a great time to review our Cold Weather and Winter Gear Expectations for Sam Davey Elementary School:

Cold Weather Expectations:

- If the temperature is 50 degrees or above, students can choose if they need a coat or not.
- If the temperature is below 50 degrees, arms and legs need to be covered (examples: jacket or coat, sweatshirt, long sleeved shirt, and jeans, leggings, tights, or pants).

Winter Gear Expectations:

- During the winter months K- 5 students are required to wear winter coats, hats, gloves/mittens, snow pants, and winter boots.
- Those who do not to wear snow pants and winter boots must remain on a designated area that has been shoveled near their cohort.

Please send your child to school with appropriate clothes for the weather. If your child comes to school without the proper cold weather/winter gear they will have to stay indoors for recess and a parent will be called to drop off winter gear for the afternoon recess.

Thanks for helping us stay warm this winter season.
