

Ganado Sports Booster Club

What Is the Sports Booster Club?

The Ganado Sports Booster Club is a volunteer organization made up of parents / student-athletes who work with the Athletic Director and coaching staff to provide the funds to pay for equipment, uniforms, awards, meals, and an annual banquet to recognize the athletes and scholarships to seniors. Anyone can join the Ganado Sports Booster Club for only \$5.00.

How Does the Sports Booster Club Work?

All members sign up to work concession stands and other fundraising activities or events we may have. All parents / guardians of a junior high or high school student-athlete are asked to work 1 football game, 1 track meet, 1 powerlifting meet or 1 volleyball / basketball tournament day, or 2 regular volleyball or basketball games a year, starting in the 7th grade, for a total of 4 years. Parents of multiple student-athletes participating in the same year only have to work one concession to cover them all. Example: If a family has a 7th grade student-athlete, a 9th grade student-athlete, and a 10th grade student-athlete, they will all get credit for you working 1 concession stand.

Ganado Sports Booster Club Scholarships:

All seniors who have met the criteria should fill out the Ganado Sports Booster Club Scholarship application. Each year the parent / student-athlete works, the scholarship increases by \$125, up to a maximum total of \$500 if the parent / student-athlete volunteers for 4 years. The only exception is if a senior member participates in 3 varsity sports and is the top academic applicant, they will receive a \$1,000 scholarship. A senior girl and a senior boy will be picked to receive one of these scholarships. Any senior who has not worked or had a parent work a concession stand is not eligible for a scholarship.

If You Are Interested In Joining Or Supporting the Ganado Sports Booster Club This Year, Please Contact One Of the Following:
