

WHITE SETTLEMENT ISD BUILDING FUTURE LEADERS

DISTRICT OVERVIEW

White Settlement ISD provides engaging, hands-on instruction, rigorous academic programs, and a variety of Career and Technical Education courses and extra-curricular activities to meet the interests of every student.

A growing suburban school district, WSISD serves more than 6,800 students who reside in the City of White Settlement and the western portion of the City of Fort Worth.

- WSISD provides a variety of family engagement opportunities, and the district sponsors several community-wide events including a Back to School Rally, Fine Arts Festival and Homecoming Parade.

BOND UPDATE

The district passed a \$115 million bond program that will enhance every school and department and increase capacity. The bond includes a grade realignment plan that begins in August.

- All pre-k and kindergarten students will attend the West Early Learners Academy.
- All students in grades 1 through 5 will attend their respective elementary schools.
- Tannahill Intermediate will serve only 6th grade to prepare for the relocation of the Fine Arts Academy to the current Tannahill Intermediate site in 2025-26.

West pre-k ambassadors attend the school's Topping Out Ceremony to celebrate the installation of the last beam in the new school.

Brewer High School Summer 2024

- Fine Arts Expansion
- Gym Expansion
- Drill Team Floor Installation

Brewer Middle School Spring 2025

- New 6th Grade Center
- Fine Arts Expansion
- New Cafetorium
- New Gym

Liberty Elementary Spring 2025

- New Gym
- Cafeteria Expansion
- Additional Classrooms

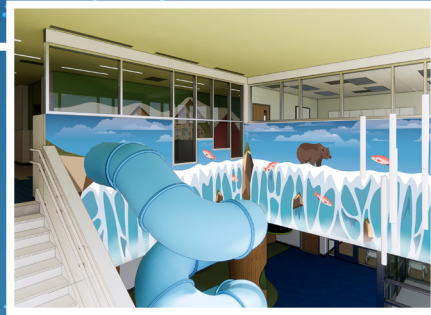

WEST EARLY LEARNERS ACADEMY

The West Early Learners Academy will serve all pre-kindergarten and kindergarten students in the district starting this fall.

The new school will focus on early literacy and math and provide opportunities for WSISD's youngest learners to explore scenes and places beyond the school walls and community. The walls and ceilings will be covered with mountains, waterfalls, forests and animals throughout the world, and the school will offer a city system that includes a bank, store, hospital, restaurant and more.

DUAL LANGUAGE PROGRAM

Two-Way Immersion Dual Language Program for English & Spanish Speakers
All subjects taught in English & Spanish

Starting in kindergarten at the West Early Learners Academy, WSISD offers a two-way Immersion Dual Language program for native Spanish and English speakers. Students are considered developing bilinguals, receiving instruction in both English and Spanish, with the goal of developing proficiency in both languages.

The Dual Language program is available at Liberty Elementary and the North STEAM Academy for students in grades 1 through 5. The goal is to equip students so they are successful on the College Board AP Spanish exam by the end of eighth grade, earning early high school and college credits. These students are on a pathway to earn the Seal of Biliteracy.

WSISD SCHOOLS SNAPSHOT

NORTH STEAM ACADEMY

The North STEAM Academy incorporates Science, Technology, Engineering, Arts and Math into the curriculum, and the school also offers the Dual Language program. Students attend a daily Technology class as well as a STEAM block, and lessons reinforce concepts taught in the regular classroom to make learning fun and hands-on. Teachers incorporate STEAM into all subjects, including PE and art, and GRIT Houses foster community at the school.

BLUE HAZE ELEMENTARY

In addition to a rigorous academic program, students participate in PE every day and rotate through extra-curricular classes like Makerspace, Art, Music, and Library. Students are part of a GRIT House, which fosters a sense of belonging outside their own classroom and builds community across grade levels. Students wear house colors, have house meetings, and earn points for their GRIT House by demonstrating positive behavior.

LIBERTY ELEMENTARY

Liberty Elementary provides a variety of opportunities to enhance students' literacy development and strengthen their academic performance. Students may participate in the Dual Language program and become fluent in English and Spanish. They attend PE, music, STEAM and computer class daily.

FINE ARTS ACADEMY

The Fine Arts Academy empowers students to be critical thinkers and problem solvers. First through fourth graders attend music, art or drama every day. Fifth and sixth graders have the opportunity to choose from electives in band, art, choir, theatre and media/graphic arts. Students in fifth and sixth grades may also take dance. The Fine Arts Academy will relocate and expand to serve additional students in the 2025-26 school year.

TANNAHILL INTERMEDIATE

During the 2024-25 school year only, Tannahill will exclusively serve sixth graders as part of the grade realignment and bond program. Tannahill students explore various extra-curricular classes such as art, band, leadership, and music. Next year, all sixth graders will attend 6th Grade Exploration Wheel to expose students to the Career and Technical Education classes that are available at the middle and high school levels. The school fosters GRIT (Gumption, Resilience, Integrity, and Tenacity), with students earning daily points and celebrating every grading period on GRIT Celebration Day!

BREWER MIDDLE SCHOOL

BMS offers diverse learning programs including Pre-Advanced Placement classes in all core subjects as well as several high school credit elective courses that support the Brewer High School Distinguished Graduation Plan. Students begin their Career and Technical Education track with the opportunity to take Agriculture, Exercise Science (part of the high school's Health Science program), College and Career Readiness, and an intro to business class.

Students can participate in a variety of extra-curricular activities including band, choir, dance and theater; competitive athletic programs such as football, volleyball, tennis, track, soccer and basketball; and numerous service organizations and clubs.

BREWER HIGH SCHOOL

Brewer High School offers multiple college-level Advanced Placement (AP) courses as well as college credit courses through dual credit partnerships. Students can graduate from high school with most of the credit courses needed to earn an associate degree. Students have the opportunity to participate in a variety of award-winning athletic and fine arts programs including band and color guard, choir, cross country, dance, theater, football, basketball, baseball, soccer, softball, tennis, track, volleyball, wrestling, powerlifting and more. BHS offers numerous clubs and organizations that provide competitive opportunities and strengthen students' leadership skills through community service and training.

CAREER & TECHNICAL EDUCATION PROGRAMS

The school's growing Career and Technical Education program provides 24 programs of study including Agriculture, Cosmetology, Culinary Arts and Engineering so students can explore career paths and have the opportunity to earn industry certifications while still in high school. Next year, Barbering, Medical Therapy and Real Estate will be offered.

SAFETY & SECURITY

WSISD has implemented numerous measures to enhance security in our schools. WSISD employs its own Police Department, with an officer at every school and additional security guards at the high school and middle school. WSISD participates in the Guardian program, in which educators receive extensive training to carry concealed firearms on school facilities alongside local law enforcement, with the goal of denying an intruder entry into a classroom or school facility.

The district's Safety, Security and Emergency Management Director conducts regular perimeter and door checks to ensure that all school facilities are secure. Students and staff participate in regular drills to practice for real-life situations. The district has strong partnerships with local law enforcement agencies, and WSISD continually implements the latest safety initiatives to enhance security.
