

Keys to Success with your Mentor

- ❖ Remember to respect your time with your mentor.
    - Respond in a timely manner to phone calls, text messages and emails.
    - Be on time for your meetings.
    - Be attentive when you are together.
- ❖ Be receptive to feedback. Your mentor has a vested interest in you!
- ❖ Genuinely consider the advice you are given.
- ❖ Keep your promises.
- ❖ Clarify your expectations.
    - Think about what you want to gain and to give in the relationship.
    - Talk about your expectations with your mentor.
- ❖ Be creative.
    - Bring your best to the relationship, not just your problems.
    - Your mentor is there to help problem solve but remember to have fun too!
- ❖ Commit to continuous learning.
    - Your future will shine when you are curious about the world around you.
- ❖ Give back! Consider doing something meaningful for your community through volunteering with your mentor.
