## What is a School-Parent Compact?

A School-Parent Compact is a written agreement describing how school staff and parents will work together to ensure that each child will successfully meet grade level expectations.

- ⇒ The compact is linked to the school improvement plan.
- ⇒ The compact specifically states what is expected from the teachers, parents, and students to meet the district and school goals.
- ⇒ The compact informs parents how the school will provide communication about parent involvement events and student progress.

## How is this compact created?

The parents and staff partnered together in the spring 2024 to develop this school-parent compact. Teachers suggested home learning strategies, and parents added input about the types of support they needed.

Parents are encouraged to attend annual revision meetings held in the spring of each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the annual needs assessment survey each spring.
