School Policies

To view policies, please visit www.pequeavalley.org and click on menu, district policies and guidelines.

Asbestos Management Plan

The Pequea Valley School District’s asbestos management plan has been approved by the Board of Education and the Pennsylvania Department of Education. This plan is on file in the District Office and is available for review from 8:00 a.m. to 4:00 p.m. There is also an abstract of the plan in each building available for the public to review. Questions about the asbestos management plan should be referred to the Director of Facilities and Grounds at 768-5530.

In the Event of an Emergency

Parents should know that their access to the school during an incident may be barred for a variety of reasons, such as airborne chemicals or toxins. If learners are to be released to parents, there will be an orderly system to provide for the safety of each child. In such instances, we will coordinate with the local media to get information to you. It is important that you remain aware of public notices on Channel 8 TV and our district website (www.pequeavalley.org) about emergency procedures and updates. In every case, learner and staff safety is our first priority. All procedures will be designed for their protection.

Standardized Testing

The results of these tests provide a continuing record of each learner's academic progress in comparison with national and local norms. They are also an invaluable aid to the learner's facilitators and counselors in diagnosing individual strengths and needs in order to provide more effective individualized instruction. During the school year, the following tests will be administered in the Pequea Valley School District as part of this program. Scores earned by learners will be recorded on their permanent record. Although the Scholastic Aptitude Test (SAT) is not offered at our high school, it is offered at several area high school locations.

<u>Test</u>	<u>Grade</u>	<u>Date</u>	<u>Purpose</u>

Inclement Weather

The decision to close or delay school for inclement weather will be reported on local radio stations, TV, our website, social media, and calls/texts through our Rapid Communication Service by 6:30 a.m. In order to receive your notification call, please be sure to keep your contact information updated in the Sapphire Community Portal.

Radio and television stations will be advised of these early dismissals. Please refrain from calling the schools during these situations as telephones are needed for emergency calls. Stations carrying school closing information include: FM 90.3, FM 94.5, FM 96.9, FM 103.3, AM 1490, FM 105.1, FM 101.3, and TV channels 27 and 8, and on-line at www.thewgalchannel.com

Mission

*The Pequea Valley School District will create an
“Ideal Learning Environment” that inspires each learner to excel.
“Ideal Learning Experience” - Meeting learners at their (interest/learning) level,
challenging them, so that everyone is motivated to return tomorrow.*

Vision

*Pequea Valley School District,
“Where Each Learner Counts”*

Belief Statements

We believe that...

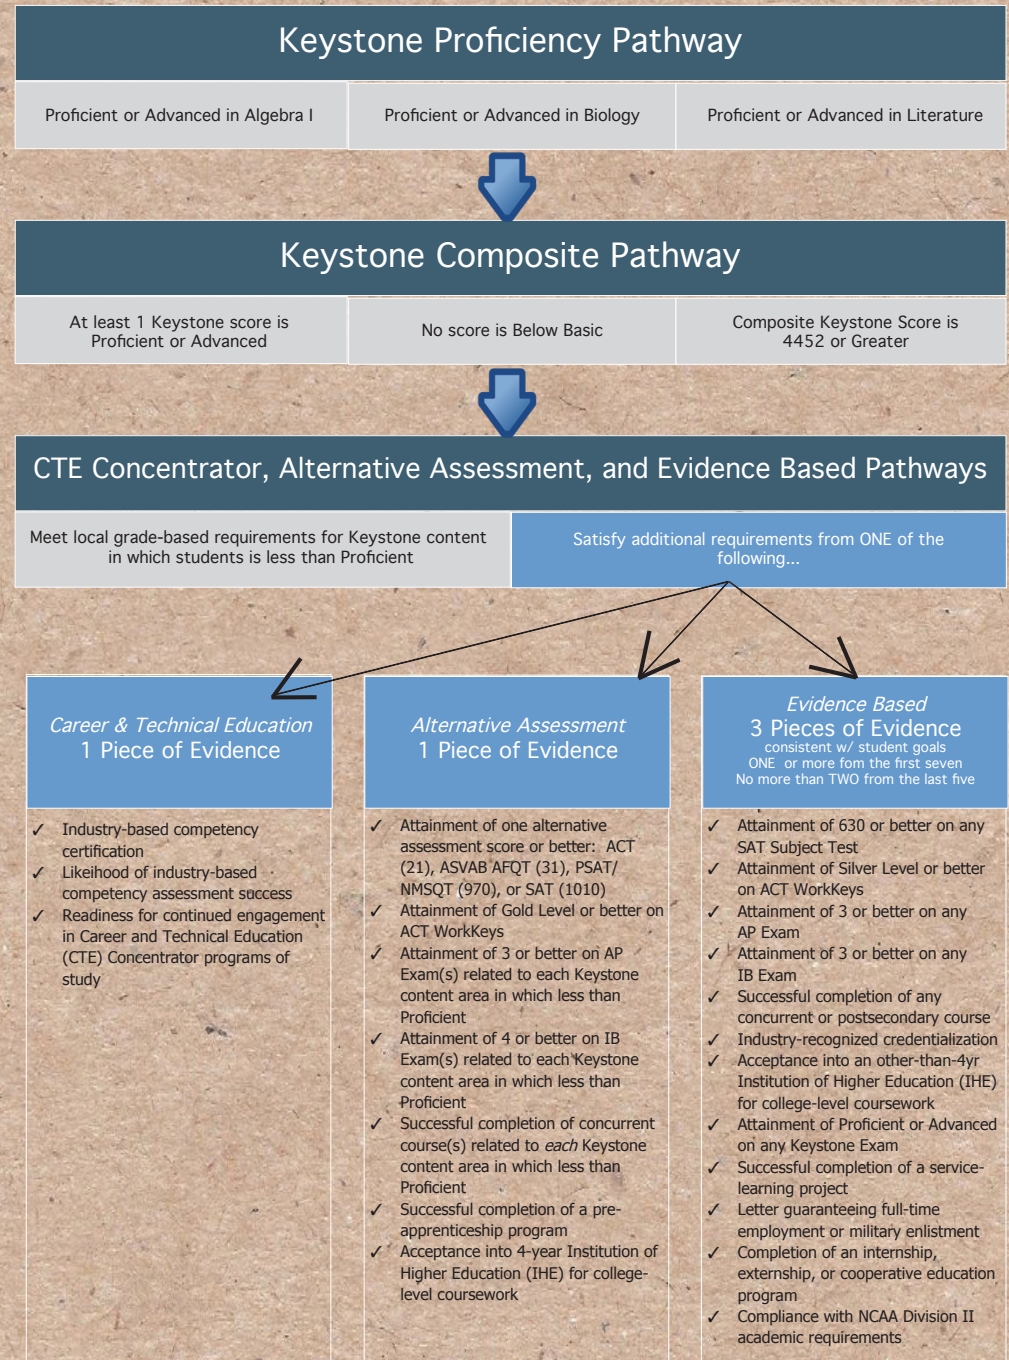

- Learning occurs when a positive relationship is developed with each PV learner.*
- Learning occurs when the environment is focused around autonomy, mastery, and purpose.*
- Learning will occur in flexible environments.*
- Learning is a collaborative activity.*
- Learning occurs when associated with a child’s interests, strengths, and zone of proximal development.*
- Learning occurs at different paces and rates.*

Non-discrimination Policy

The Pequea Valley School District, an equal opportunity employer, will not discriminate in employment, educational programs, or activities based on race, religion, color, national origin, sex, disability, or because a person is a disabled veteran or a veteran of the Vietnam Era. This policy of non-discrimination extends to all other legally protected classifications. Publication of this policy in this document is in accordance with the state and federal laws including Title IX of the Educational Amendments of 1972 and Sections 503 and 504 of the Rehabilitation Act of 1973. Inquiries should be directed to the Superintendent, 504 and Title IX Coordinator, Pequea Valley School District, P.O. Box 130, Kinzers, PA 17535; 768-5530.

Graduation Pathways

The Pennsylvania Department of Education, has put into law Act 158, which alters the present graduation requirements to be less focused on statewide assessments but instead shift the focus to multiple college, career, and community readiness indicators. These pathways include a Keystone State Test proficiency pathway, however the other pathways allow for multiple options through pathways called an Alternate Pathway, Evidence Based Pathway, and a Career and Technical Education Pathway. We are encouraged by the shift in the graduation requirements focus, which align more closely to Pequea Valley's "Post Secondary First Choice" vision, customizing learning for learner's long-term goals.
