Income Eligibility

In order to qualify your student through income, it is necessary for you to provide the last two paystubs for ALL people who are currently employed in your household.

If your family has already been qualified for any government assisted programs (Food stamps, Medicaid, etc.), you may just provide proof of that benefit instead of income verification. **If your child qualifies for Medicaid, you will need to visit [Your Texas Benefits](#) on-line account and locate the EDG#.** You can screen shot that number in place of proof of income.
