ABOUT THE COURSE

Welcome to PathwaysSophomore to College and Career. This course is designed as a support course for your academic and professional needs. You will be enrolled in Path CC each of your four years at Early College High School. As your Path teacher I will assist you in navigating a successful path to high school and college graduation in 2024! We will focus on acquiring the necessary organization, study, financial, and social skills for a successful ECHS and post-secondary experience.

COURSE OBJECTIVES

- Register and prepare of the PSAT
- Maintain a weekly grade tracker
- Learn and practice how to effectively communicate (written and verbal) with your instructors
- Create a portfolio
- Create a resume
- Complete 40 hours of community service
- Compose thank-you letters
- Explore ECHS's core values of responsibility, kindness, honesty, integrity, desire, and respect.
- Research colleges and careers
