

[MISD Parent & Student Handbook](#)

Grading Guidelines (All Grade Levels) - Student Handbook pg 55

Approved grading guidelines for each grade level or course will be communicated to students and their parents by the classroom teacher. These guidelines establish:

- The minimum number of assignments, projects, and examinations required for each grading period
- How the student's mastery of concepts and achievement will be communicated (for example, letter grades, numerical averages, checklist of required skills, and the like)
- Circumstances under which a student will be allowed to redo an assignment or retake an examination the student originally failed
- Procedures for a student to follow after an absence

Approved Grading Guidelines

One grade cannot be more than 30% of the 6 weeks grades.

Please check Canvas for your teacher's detailed syllabus. In the syllabus, you will find specifics to Redo Requirements, missing work procedures and deadlines.

Graduation Requirement Courses (On Level Math Courses)

These courses include Algebra 1, Geometry, Math Models, Algebraic Reasoning and Financial Mathematics.

- 60% Major Grades
- 40% Minor Grades
- 0% Practice Grades

College Readiness Courses (Upper Level Math Courses)

These courses include EAS Geometry, Algebra 2, EAS Algebra 2, PreCalculus, AP PreCalculus, AP Statistics, AP Calculus AB, AP Calculus BC

Grade Categories:

- 70% Major Grades
- 30% Minor Grades
- 0% Practice Grades
