

Access All Modules of COVID Emergency Release V3 (CER 3.0), Pilot Edition, 2023–24, 6–12 Math, on Texas Gateway

[Texas Gateway](#) now contains all module materials for **grades 6–8, Algebra I, Geometry, and Algebra II**, including:

- Teacher and student **program and pacing guides, standards alignment documents, glossaries**, errata lists, module and topic overviews, and student versions of lessons, assignments, skills practices, and assessments.
- Family and caregiver guides in **English and Spanish**.

Teacher resources web pages provide a **secure place for answer keys** to all student lessons, assignments, skills practices, and assessments. Registration and sign-in are required to access the answer keys.

Accessing Materials

- Visit TexasGateway.org
- Under **“Featured Resources”** select the **“Full-Subject Texas OER Materials 6–12 Math”** icon. (See example)
- The icon directs to public-facing web pages, which include all materials except answer keys.
- **Answer keys** are **only** available through each module’s teacher resources web page. (See example)

The screenshot shows the Texas Gateway website. At the top, there is a navigation bar with links for TEKS GUIDE, TEKS, SEARCH, ABOUT, MORE, Log in, and Sign Up. Below the navigation bar is a 'Featured Resources' section with several cards. One card, 'Full-Subject Texas OER Materials 6-12 Math', is highlighted with a red border and a hand cursor icon. To the right of the featured resources is a 'TEKS Guide' section with a 'get started' button. On the far right, there is a 'BOOK OUTLINE' section with a list of modules and topics. The 'Teacher Resources - Access Required' link at the bottom of the book outline is highlighted with a red border.
