VEHICLE PERMIT

A request for a vehicle permit must include the driver's license number and proof of motor vehicle insurance.

Students and employees may park only in designated parking lots.

The District does not accept responsibility for any damage to cars parked on school property.

STUDENT PARKING FEES

Eligible students may purchase a parking permit to park at the two senior high schools. If a student purchases a permit at student orientation the cost is \$40 for the school year. A permit costs \$50 if purchased any time after student orientation.

Seventy (70) percent of the funds raised from student parking fees shall be distributed to the operations department for parking lot maintenance. Thirty (30) percent shall stay with the senior campus.
