BASIC INSTRUCTIONAL PROGRAM:
REQUIRED INSTRUCTION (ALL LEVELS)
EHAA (REGULATION)

EXCUSES FROM PHYSICAL EDUCATION

Students temporarily restricted from participation in physical education will remain in the class, and special work will be assigned for the period of restriction. Such assignments may include officiating or score-keeping, written projects, research, or other approved activities. The student must make up any written tests, skill tests, and physical fitness tests when physically able to do so, and may receive an incomplete grade until such work is made up.

Approved – October 2006
