CROWD CONTROL

The District will implement the following crowd control procedures at school athletic and extracurricular events, as applicable:

1. The designated administrator will ensure the safety of the event officials by providing escorts to their dressing area, to and from the playing field or court, and to the exit of the playing facility. Officials will be notified of the identity of the designated administrator and where he or she will be located during the event.
2. The athletic director will provide uniformed police at high school athletic events and security personnel at other school athletic events, as needed, and will inform the designated administrator of any home contest for which police are provided.
3. At the beginning of each UIL event, the announcer will read a prepared statement concerning UIL regulations and the necessity for good sportsmanship.
4. At the end of the event, the announcer will read a prepared statement showing appreciation for the good sportsmanship displayed on the part of all fans and indicate the hope that they will travel home carefully.
5. The lights on the playing field will be dimmed as soon as feasible after the event to encourage the crowd to leave.
6. The parking lot will be monitored at least once during each period of the event.
7. The designated administrator will be responsible for meeting with the officials after the event and for informing both schools by phone the next school day of any unsportsmanlike conduct of fans, players, or coaches and of any unprofessional behavior on the part of officials. Written reports will be sent to the Superintendent and principal of each school as soon as possible.
8. The principal will be responsible for initiating disciplinary measures against students guilty of violations. The Superintendent will initiate bringing charges against any nonstudents, if necessary.
