KEY TAKEAWAYS

Our board meeting agendas often include many items for discussion. While you will always be able to review the agenda, meeting minutes and video recordings of these meetings on [our Board webpage](#), this Board Bulletin provides key takeaways for our Stevenson community.

- 1** The Board of Education approved changes to finalize the 2024-2025 Student Guidebook, which comprehensively outlines policies and expectations for student conduct. The guidebook is a collaborative effort between faculty, parents and deans and is presented to students/families in late summer prior to the beginning of the school year.
- 2** Board members also voted to make available for public viewing the tentative 2024-2025 budget, which has been in development since the beginning of the calendar year to appropriately reflect the needs of the District. The tentative budget will be available for community input starting June 30, with a public hearing to follow at the August 19 Board of Education meeting. At that same meeting, the Board will be asked to formally approve the proposed 2024-2025 budget.
