## Midland Independent School District Statement of Inability to Provide Certified Copy of Birth Certificate

Persons enrolling a child under 11 years of age are required by the Texas Code of Criminal Procedure, Article 63.019, to provide a certified copy of the child's birth certificate within 30 days of enrollment, or up to 90 days of enrollment for a child not born in the United States.

If the person is unable to produce a certified copy of the birth certificate, the person must produce, within the same time period, other acceptable proof of the child's identity and age and a signed statement explaining why the person is unable to produce a certified copy of the birth certificate.

If the person does not provide this information or documentation, then the school shall notify the appropriate law enforcement agency to determine if the child has been reported missing.
